# TEASE!

## THIS · MONTH · IN · CLUB

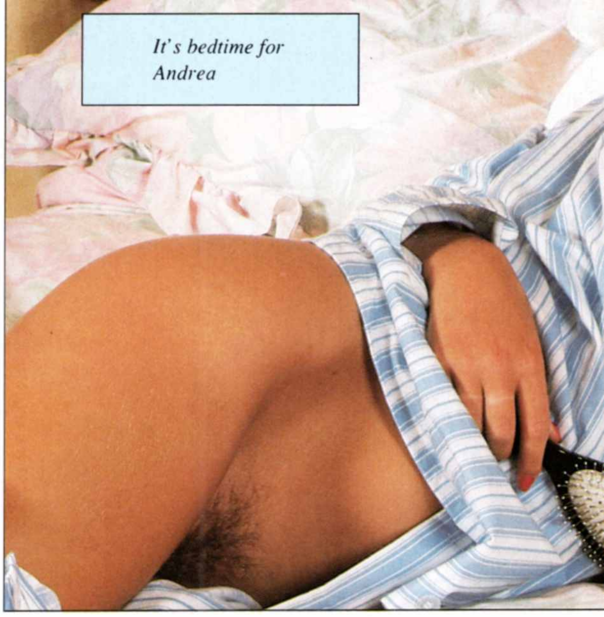
What a funny old lark this Christmas thing is, eh! The giving and receiving of eggs, spotting the first crocus, the Bank Holiday Monday jams on roads to the coast! People are generous: your tightest mate opens his wallet and buys a round, your mother-in-law donates a bottle of her best parsnip wine, and young ladies start to wear short, tight skirts without any knickers on underneath.

Oh hell, I can't keep on lying to you. That was Easter. Christmas is bloody horrible: it's freezing cold, you're skint from buying nasty perfume for the woman and shit plastic toys for kids and little brothers which self destruct in five seconds (the toys that is, not the kids, no such bloody luck), and you can't even get out for a quiet drink because the pubs are full of prats singing ''Heer it iiiiis, Merreee Crisssmaaass, Everybodeeee's having fun,'' which they aren't of course. Add to that the fact there's sod all on the telly and you can see the whole thing's designed to cause family rows of the nastiest kind, leading to blows if you're lucky and arson, suicide or murder if you're not.

With Club, though, you are at peace. So pinch the brandy, steal a cigar, put out the cat, lock the door, tie up the in-laws and settle down with some solid men's entertainment. The girls and ourselves have tried to make this issue the best Club of the year, and we reckon we've come pretty damn close.

If you're a new reader, we hope you like what you see and try us again, 'cos if you don't we might all be out of a job. And if you've stuck with us through the year – you'll be knackered, but Merry Christmas, and thanks. You've saved our bacon again.

Cheers everyone. See you in '89. – *The Editor.*♣



*It's bedtime for Andrea*

# COME AGAIN

## the girl you've asked to see

In Vol 17 No 10, the luscious Louise revealed that she was a keen naturist. And among those who wrote in wanting to volunteer to take her away to a nudist camp and let nature take its course were Billy of Spalding, Bobby and Smithy of Telford and our most ardent fans, the Mighty Lemon Drops. But they'll all have to queue up behind the Ed, who put his oar in months ago.♣

# IN·THE·BAG

*In The Bag, in the bedroom or in the laundry basket – wherever you do it, tell us about it. And tell your favourite girls what you'd like to do to them, too: you'll get a personal reply in ITB. So get writing to the only men's mag that treats its readers' letters seriously. The address: In The Bag, Club International, 2 Archer Street, London W1V 7HE.*

## Dear Sonia,

**When I saw you in Vol 17 No 9, I knew that you were the woman of my dreams. You have the face, hair and fanny of an angel, and I can just picture us lying on the beach together at your Spanish home, soaking up the sun while we're stroking up our come. My penis is rigid with impatience to see another set of you, but a picture would do till then. – *Martin, Rugby***

## Suck Off!

As I'm sure you know, the biggest turn-on for most men is oral sex. There's just nothing to compare with being licked and sucked to a climax by a beautiful girl. Indeed, a lot of the stories and letters you publish reflect this – they're full of great blow-jobs! So how about giving us the same kind of treat in the pictures?

All you need to do is let the girls show off their sexy mouths to the best advantage. A few props would improve the effect: why not have a gorgeous blonde – like Andrea, perhaps – sucking on a thick, round ice lolly? Or a pretty brunette like Sonia, from Vol 17 No 9, licking the juice from a melon? Of course, you could get several girls together and stage an erotic banana-eating competition.

It would do a lot for my circulation, and I'm willing to bet it would increase yours, too. Seeing all those fantastic girls offer not only their wonderful bodies but also their warm, wet mouths and flexible, playful tongues would be too much for anyone. You could start the ball rolling with a special oral edition, full of women aching to go down on us millions of fellatio fans. Why not suck it and see? – *AS, London*

## Masham Bashing

Dear Sir,

My idea of a good time would be to drive along in a Panzer V1 brewing-up and crushing motor cars. With a bit of luck some of them would contain motoring correspondents and if I was especially lucky one would be John Masham.

Yours sincerely, *A cyclist from Hartlepool*

*John Masham replies:* The fact that Hartlepool cyclists consider a good beating with a Panzer a threat more or less backs up what I was saying in Vol 17 No 9. *(Yerwot? – Ed.)*

## Queen of Cream

I loved the set of Janette in your issue Vol 17 No 8. I am in the Services and if I am not very much mistaken I saw this lovely lady in a porno movie in West Germany recently; it would be hard to mistake those gorgeous tits and her lovely pouting mouth, not to mention that wonderfully inviting pussy.

However, when I saw her, the bed she was on also accommodated two exceptionally well-hung studs. One was giving that inviting pussy a very energetic tonguing whilst she was repaying the compliment to the other by swallowing between

## 9½ PEEKS

**Imagine the scene. You walk into a darkened room. The light is trickling in through the Venetian blinds. You're dying for a shag but haven't scored for months. Suddenly you catch sight of lush blonde actress Kim Basinger undoing her suspenders right in front of your eyes . . .**

**And you thought it was all a dream, right? Well, it must be your lucky day, 'cos that's exactly what *will* happen to you (give or take the odd little bit of journalistic licence) if you're lucky enough to win a copy of *9½ Weeks*, the seriously steamy story of two rampant sexaholics, the lovely Ms Basinger and Mickey Rourke, who enjoy all kinds of filthy fetishes and kinky treats that'll have you reaching for the wife and a copy of the Kama Sutra.**

**And a serious session of grovelling is in order to those wonderful people at CIC Video, who've sent us ten (yes, TEN) copies of the vid. We've got them under lock and key here at the Club HQ in case the Ed tries to abscond with them, so you'd better get your entries in quick.**

**Take a look at the picture of mouth-watering Kim again. (Not a very difficult task.) She looks as if she's about to do something with those suspenders, apart from giving the lot of us a great raging stonk-on. Tell us what you reckon she'll do next, and if your answer's smart-arse enough, one of the videos will be on the way to you.**

those lovely pouting lips the best part of a foot of rampant cock. Our licking friend obviously thought he wasn't getting the best deal so in one wonderfully slick movement he knelt up, revealing another 12 inches of rampant cock which promptly disappeared up the lovely Janette's dripping cunt where it continued to pound for the next few minutes, producing the most satisfied groans from her, whilst in no way detracting from her attentions to the other guy's cock which by now had disappeared completely down her throat.

Just when things seemed to be reaching a climax, the lovely Janette sat up with a wicked grin on her face and, kneeling forward, promptly swallowed the cock that seconds before had been swallowed by her cunt. The lucky sod who had been getting the blow-job of a lifetime obviously had no intention of letting the buttocks now thrust in his direction go to waste so he slid into her from behind and pounded away whilst his mate now had his cock repeatedly swallowed.

When I thought they surely could stand it no more, Janette came up trumps again, pulling away and rolling on to her back only after giving both cocks a friendly suck and a little simultaneous wank.

I think the two studs must have wanted to be getting home by now as they both plunged back into her with renewed vigour, Janette's head lying back over the bed. Not content with the cock down her throat, she tried to swallow his balls as well! For a couple of minutes they gave her the most thorough fucking you could imagine until they both, at the same time, pulled out and to Janette's delighted cries and groans poured their spunk all over her. Believe me, her cunt and pubes were dripping, it was pouring down those lovely tits and she managed to get one cock back into her mouth to suck it dry as he was still coming over her lips and cheeks.

An amazing performance from a very beautiful girl; she obviously enjoyed it as much (if not more) than the two lucky guys. She is even more lovely on film than in your pics, if that's possible.

If you choose to publish this, it will convince me of two things:

1. I shall in future believe that your report of the girl's comments is true (I can certainly believe Janette's!).

2. I shall believe that the letters you publish actually do come from readers and not your editorial staff!!

Great mag. Keep it up, I try hard enough. – *JB, Denham*

### Give Us Jane!

In reply to the letter from Jane of Oxford (Vol 17 No 9), my suggestion is to offer her a photo session *very* soon and then dedicate ten pages of Club to scenes from her letter. Don't forget to include some photos taken around her college or round some college or a swimming pool or something.

If the powers-that-be say that she appears in some other lesser mag than Club, please let us know where so that we can register our protest against your lily-livered, spineless, supine, weak-willed failure to get for Club readers what they so obviously deserve.

Actually Club is rather a good rag. Keep up the good work. – *John, Stockport*

*Cheers a bunch, John, we're most grateful.*

## NUTTER'S CORNER

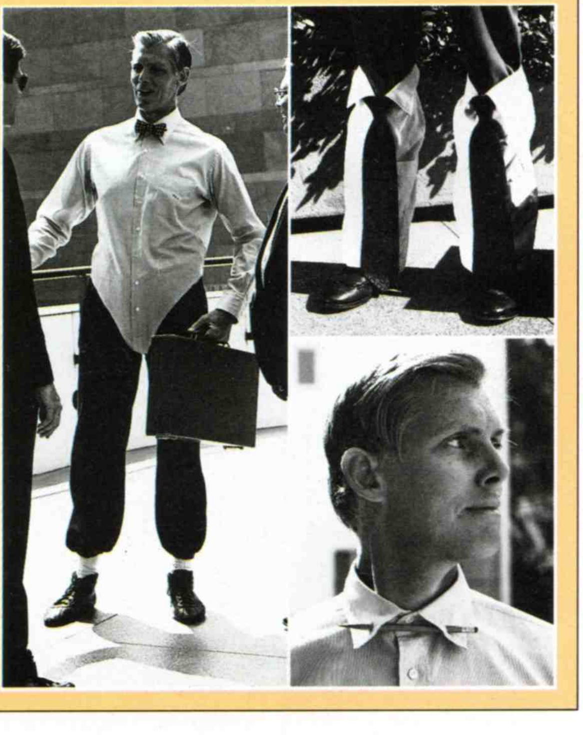
**Christmas is the time to break the mould of those stale office styles, *writes our fashion correspondent.* With the exclusive designs of Philip Garner, you can take your boardroom look into the 21st century!**

**For sheer practicality, it's hard to beat the "brief-shirt". You can dress rapidly when you're hurrying out to those early board-meetings, and you can say goodbye to flapping shirt tail misery!**

**The twin-tie look "complements dual anatomical features like eyes, ears, arms and legs," according to Garner. The "trouser tie-shirt" draws attention to your best brogues, and the "practi-collar" means you're never far from your best pencil. No more hassle finding those troublesome paper clips when you need them either.**

**The only thing missing from this collection is the new, executive strait-jacket. But perhaps it won't be too long before Garner is modelling one of those too.**

**Just goes to show, you were right to stick to jeans and a T-shirt all along. More raving loonies in next month's issue.♣**



### Shaven and Shorn

My brother is a regular visitor to England, and he always brings back copies of your magazine. Your pictures are quite delightful, and the editorial has a good variety to suit all tastes. The letters too are interesting and I am making my first expedition into this section ever. I note that women do not often contribute. *(Eh? Sometimes there are more women than men! – Ed.).* I wonder why? We are just as sexy as men, after all.

Up to six months ago I prided myself upon my ample growth of pubic hair. I would comb it every day and trim it too. Boyfriends admired it. Then I went to share a small flat with a girl I had never met before I moved in; she is the

# IN·THE·BAG

same age as me. We have to share a bedroom and it was through this that I eventually became a shorn maiden!

Let me call her Eileen for the purposes of this letter. She is a model and has a delicious body, so firm that she needs no bras. She told me that she often has to model skimpy bikinis, and for this reason she shaves everything off.

I was intrigued when she let me see her full frontal about the third night after I moved in. I was really quite excited. She looked so fabulous. Up to that time, apart from the usual schoolgirl crushes I had not given much thought to female attraction. I will admit though that from time to time I had been approached by women older than myself at parties, etc. Although I was tempted several times, I always said no.

However, when I set eyes upon my room mate it excited me. I told her I admired her shaven vagina. We discussed the pros and cons at some length that night and returned to the topic the following night. This led to an intimate discussion on sexual matters, our likes and dislikes.

Eileen came over and sat upon my divan in her very brief nightie that left nothing to the imagination. Then it happened. She suggested I should allow her to remove all my pubic hairs. After a lot of consideration I agreed.

I shall never forget the operation. I think it was the most thrilling experience I have ever had! I became terribly worked up and could not resist fingering Eileen as she used the razor, having snipped the hairs first with scissors.

We then stood side by side facing the long mirror with our arms entwined round one another, stark naked. One thing led to another and of course, like all girls under this emotional strain, we masturbated one another to several delightful orgasms. We ended up sharing one bed for nights on end and revelled in lesbian love.

Yet neither of us can be described as lesbians. We both enjoy fucking with guys and have since had two men staying the night with us, and openly having intercourse.

But what I want to stress is this; since I have shaved my vagina regularly I have increased my libido. I have enjoyed sex far more than before. Boys really go crackers when they see my slit fully exposed and are down on their knees in a flash to embrace that area!

They all say it is far nicer to ''see the goods'' without having to part pubic hairs. They say it smells far nicer too, and tastes delightful. – *Elaine, Eire*

### *It's Jane Again!*

I felt I must write to you after buying Club Vol 17 No 9 and reading the letter from Jane of Oxford *(In The Bag)*. It's not often you see a letter from someone in your own town, and if what she says is true I would love to meet her. If she is really such an exhibitionist then how about featuring her in Club so we can all see that unique giant cunt of hers?

As an amateur photographer I would love to do a session with her followed by a good

**It goes somefing like that, anyway. I never was that good at songwords. It's moving though, innit?♣**

# MOTORVATION

## *What does the good driver want for Christmas? A good read. So for the bad driver, here's* ***John Masham's*** *column.*

As the police are always pointing out, winter motoring is a right bastard. Black ice makes any journey potentially hazardous, especially if you were rash enough to rush out and buy one of the nasty little Jap-jeeps in the mistaken belief that cheap four-wheel drive and Lego styling would get you out of trouble.

Matters aren't helped either by the vast amounts of wet stuff one finds on the roads at this time of year. Vodka, Meagan's Old Goat, or lorry-loads of lager – whatever you fancy, chances are you'll have had a little bit too much of it by the time you work out precisely which car in the car park is the one you turned up in.

My research has shown that drunks make ace drivers, but it's generally agreed that certain manoeuvres – such as driving in a straight line, round a bend, or on the left-hand side of the road – are often made even trickier if you've a drop of you-know-what in your system. The police don't help much either; the last thing you need when you're trying to find the stop pedal (it gets so confusing when there are three of the bloody things down there) is a red and white Rover parked on your back bumper. And be warned, increasingly sophisticated monitoring equipment means that if you've had a drop too much it'll take more than a Polo mint to throw Plod off the scent nowadays.

To combat all this, and more, Club presents a short selection of stocking fillers, carefully chosen with the fun-loving and festively irresponsible motorist in mind.

First on anyone's Christmas list should be the new **Peugeot Oxia**. 680bhp, four-wheel drive, four-wheel steering, and bodywork so beautiful it would make a saint weep make this the car of the year. Operating at speeds the police can only dream about, its flawless handling makes it uncatchable. No Christmas five minute wonder, it's a car for all seasons and even features solar-powered air-conditioning for those long summer months we don't seem to get any more. Not experts in the supercar field, the Frogs almost got it right with this one. It's perfect in every respect except one: it's not for sale.

Another handy vehicle at this time of year is an old **Land Rover** – not to help you get around so much as to help you make a packet towing countless Cavaliers and Mini Metros out of the snow at £25 a time. £25 sounds a lot for two minutes' work, but most motorists are happy to cough up the cash when they realise that the alternative is certain death at the hands of Jack Frost. Old SWB Land Rovers

screw. I must say reading her letter gave me an instant hard-on, and as there were no photos

*continued on page 16*

are dead cheap, and on a good day with bad weather you'll more than get your money back.

It's also a good idea to carry a **Driver's Licence**, preferably someone else's. Should the police stop you for doing little more than a four-wheel slide through a shopping mall, whip it out before they ask you for it; let them know you've been there before. If you're lucky they'll do the licensee rather than your good self.

When the temperature drops below zero it's essential that you and your car are equipped to cope. A bottle of **anti-freeze** in the glove compartment is an excellent precaution. Personally, I'd recommend Stolychnaya, or any good Eastern Bloc vodka. An excellent tonic for a cold driver, it probably wouldn't do the engine much harm either. High octane, and lead free, it's kind to the environment too. Try three fingers neat if you want a more complete understanding of internal combustion.♣

# DONNA

We've all heard that song ''Dirty Diana'', right? But if you ain't heard of dirty Donna from Dagenham, you certainly soon will.

down her hot-line. And her men are pretty keen on her blue talk too.

Donna, who's 22, told us: ''I first started talking dirty over the 'phone quite by accident. I was feeling really randy and I decided to ring up my boyfriend and tell him so. But I dialled

the wrong number and got this total stranger instead.

"He seemed to want to talk to me, so we ended up having this very naughty conversation. Well, I was doing all the talking and he was listening – and obviously wanking off, from the noises he was making.

"I was saying things like, 'Can you

imagine what I'm doing now? I'm fondling my tits, and my nipples are getting really hard and erect. And as for my pussy . . .' Honestly, the guy was loving it!

''Funnily enough, I've been dialling rather a lot of wrong numbers lately . . .''♣

of her, I was 'forced' to turn to Kascha for a wank. Not that much force was needed as her cunt is lovely too; I just love quims with fleshy lips like hers. In fact I had three wanks over Kascha within five hours of buying the magazine.

I bet juicy Jane would show us everything, so how about giving her the chance? – *Chris, Oxford*

## Working Overtime

Seeing the great office photoset of Andrea in Vol 17 No 8 prompted me to write and tell you about my experience a couple of weeks ago. I work in a large office in the centre of town. My senior co-ordinator is the sexiest woman I know. She is six feet tall, blonde, with long legs and beautiful round breasts.

I've lusted after her for months, dreaming of wanking over her breasts and licking her clit. I didn't think she'd noticed me, but one morning she called me into her office. It was quiet and I was virtually alone on the section.

Liz closed the door as I sat down, then locked it. She walked over and said, "Peter, I've noticed you for quite a while, and you've noticed me." "Yes," I said. "It's a bit hard not to, you're the boss." "Do you want that promotion that's on offer?" said Liz. "Yes I do." She looked straight at me: "Then fuck me now."

She unclipped her skirt to reveal flame red stockings, suspenders and a small G-string. She lay on the desk and I moved around and ran my fingers up her inner thighs over the stocking tops, and slid my finger around her G-string into her wet cunt. I unclipped her bra with the other hand, and her tits jumped out. They were *huge*. I began to lick and suck her nipples. I ran my tongue down her stomach to her cunt, and ripped off her G-string, snapping it. I shoved my tongue up her cunt. She moaned as I sucked and licked her clit and probed deep into her slit. She arched her back and orgasmed, covering my face in cunt juice.

Then she got up and said, "Now it's your turn." She unzipped my fly and my shaft shot out. Straight away she began to lick and suck my penis, with me holding her head as she knelt down. She sucked until some come started to trickle down my shaft, then she licked it up.

I withdrew and turned her around. She was bending over

# FANCY a nibble?

Chances are, if you're an average Club reader, that when you nip out to your local caff for a mid-morning Scooby snack and a coffee, you'd just as soon be sinking your teeth into a nice juicy pair of boobs. Well, dream on, lads, 'cos if you're ever in sunny Fort Lauderdale, Florida, you just might be able to.

Enterprising Andrew Emery, definitely a man after our own heart, has started the world's first topless doughnut shop, and he's doing a roaring trade. After all, as he says: ''Men love doughnuts, and they love tits. How could I fail with both?''

So the lucky blokes in the area are able to flock to the shop for the tasty titbits on the menu. And then they usually have a doughnut or two as well. We reckon it's about time someone started one over here – after all, it gives a whole new meaning to those ''Naughty But Nice'' ads, eh?♣

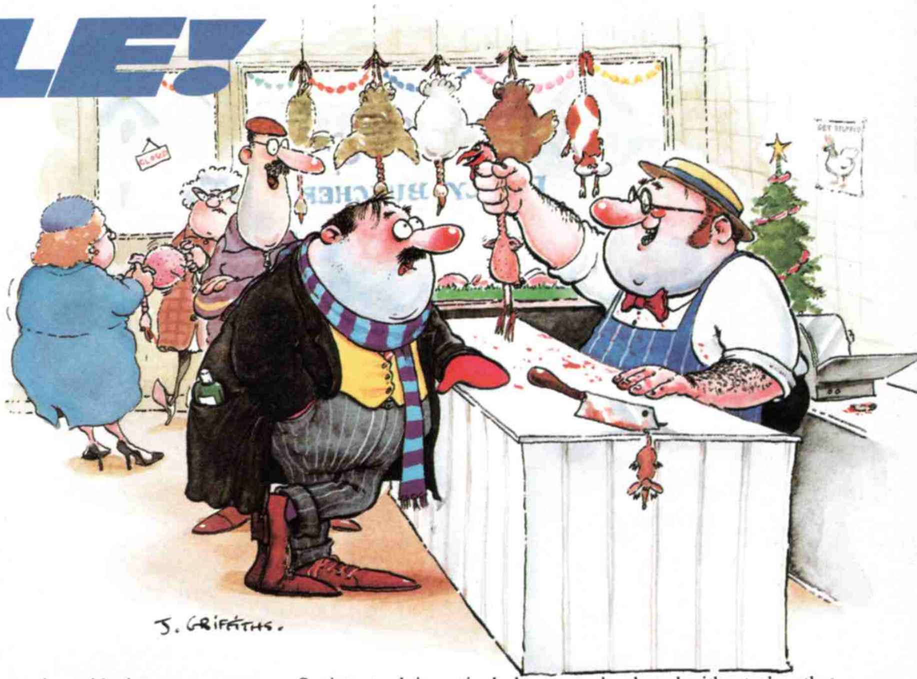
# GOBBLE!

*The thought of resident gourmet* ***Nathaniel Fatbastard****'s Christmas celebrations made us all go cold turkey, but he just told us to get stuffed.*



Last week cousin Wendy from Wolverhampton came down to see the sights of London, and since her tits are like St Pauls on its side, I said I'd meet her. After showing her the Duke of York's and Lord Nelson's house – and a few other pubs besides – I took her for a meal at the metropolis's most fashionable restaurant. The *Hard Cock* cafe (12, Nightclub Street, near Leicester Square) specialises in ribs, burgers and other bits of animals most people throw away, at exorbitant prices. However, because some ex-member of Gerry and the Pacemakers can be spotted in a corner sipping a crème de menthe, it's revered amongst the naive. Wendy was filling her knickers because she thought she'd spotted Jonathan Ross dropping in for a crap, and I knew then that the Megachoc Chocolate Eclair with Cream (£8.50) wouldn't be the last mouthful she had that evening.

Sure enough, back at my place, I had her bra off and I was about to enjoy a little intimate tête-à-tit when the bastard door bell rang. Dropping everything that hadn't been dropped already, I stomped to the front door. Opening it, I saw the cherubic young faces of five carol singers. With voices like angels they burst into the opening verse of *The First Noel*, a picture of sweet innocence.

"Fuck off!" I said, slamming the door.

It might sound harsh, but you can't explain the need to get your end away to five Aled Jones clones whose bollocks haven't dropped yet.

Somehow the mood of the evening was lost. For a start it hit me that Christmas was on the way, and it's bloody difficult getting a hard-on with *Ted Rogers' Christmas 321* on your mind. It also reminded me that it would be the first year I had to fend for myself.

Normally I spend the festive season with my brother Grossly Fatbastard. It's a real family occasion with singsongs around the piano, and it's only last year's unexpected reappearance of my large helping of Christmas pudding with white sauce and brandy butter halfway through *Ding Dong Merrily on High* that prevents me enjoying their hospitality again. Apparently Bechstein found it impossible to remove my guts from the piano's, and the baby grand is now doing sterling work in the Goat and Condom in Deptford. Grossly's wife, a soprano with the South London Wagner Society, took it particularly badly, so it's home cooking and *Yuletide Give Us A Clue* for me. But first, you have to buy it.

Butchers are bastards! My local lamb-bashers, *Bolgia's the family butcher* (motto: You can't beat our meat for enjoyment), are great value if you happen to be a brain-dead housewife with big tits who doesn't mind puerile patter such as, "I like a bit of breast myself, luv! Do you want stuffing, darling?" But any bloke walking in will get lumbered with a turkey that looks more like a geriatric's wedding tackle. The best thing to do is bribe a well-endowed woman to go for you, unless you want to spend Christmas with gristle between your teeth. Definitely not my idea of festive frivality.

Greengrocers are shits too. I know one man who was so used to market stall veg that when he bought his sprouts at the supermarket one day, he deliberately gave himself half a pound of rotten ones to make it more like the stuff off the barrow. Don't be fooled by the cute-looking cabbage out front. The one you're going to get is under the counter, limp and brown with more insect life than a YMCA mattress. Never mind all that faggoty crap about fibre, frozen are just as good, and you have the consolation of knowing the caterpillars died of hypothermia.

However, as I hate shopping and the lazy bastards at the Chinky are having Christmas Day off, I've decided to bite the bullet peas, and plump for a Matthew Bernard's Turkey Christmas TV Dinner (£9.50). It comes complete with turkey-effect drumsticks of boneless reconstituted pork, mashed potato-look emulsifier and bean-flavoured E127. I'm complementing it with a 4-litre Reisling wine box (£6.99), thoughtfully provided with a straw glued on the side. Unless, that is, one of Club's readers (especially those with huge gazongas) might like my expert gourmet advice in person over the festive season? I'll bring a bottle . . . and a bucket.♣

***Why is* Van Doonican *such a miserable git? Why does he hate all these nice shiny records? Answers on a postcard, etc, etc . . .***

**Sales of records aren't what they used to be, as if you needed telling. For example, if the Hollies sold as many copies of *He Ain't Heavy* in the mid-60s as they did when they got to No 1 a couple of months back, they wouldn't even have made it into the Top 20.**

**But this is the boom time for the record industry, my friends. This is the time of year when we spend six days traipsing around all the trendy shops looking for original presents before giving up in despair and getting everybody record tokens instead.**

**Some of us aren't so lucky, though – we get the actual bits of plastic bought for us by well-meaning aunties, and they very often turn out to be the dreaded compilations which proliferate at this time of year.**

**For example, there's the notorious *Now That's What I Call A Right Load of Tush Vol 2,418,* which is currently doing the rounds as *Now That's What I Call Music 12,* an EMI/Virgin/Polygram collaboration. It is, naturally, liberally sprinkled with some of the worst chart excesses of the year, by people like Glen Medeiros, Hazell Dean, Sabrina, Bananarama and Tiffany. And don't forget the dodgy stuff they use to make up the numbers. *A Love Supreme* by Will Downing? Who are they trying to kid?**

**Now read through the following list of records, and just you dare try telling me your all-time worst song isn't among them: *The Bump* by Kenny; *Jeans On* by David Dundas; *Montego Bay* by Bobby Bloom; *Bye Bye Baby* by the Bay City Rollers; *Isn't She Lovely* by David Parton; *Goodbye Sam, Hello Samantha* by Cliff Richard; thrown up yet? Well, you will when I tell you that collection of gems is on the *same* record, *Rare Groove Mix* (Stylus), which features 70 sequenced hits of the 70s. Jesus H Christ, they were bad enough in their original form, but *sequenced*? Hell, I thought this was supposed to be a happy time of year . . .**

**Now, if anyone dared to give me this next one as a Christmas present, I'd write them out of my will straight away. Not that I seriously expect anyone to present me with *The Judds' Greatest Hits* (RCA). This mother 'n' daughter country 'n' western duo are the bees' knees in Wyoming and Kentucky and now they've come over here to sting us with this cliché-ridden, steel guitar-infested nonsense. And, would you believe it, they've given us *six* more tracks than appeared on the US version of the LP! Lucky Americans! And why pick on us at what should be a happy time of year?**

**Never mind . . . it'll soon be January.♣**

Why, you might well ask, do all these girls get to go out to superb tropical locations to have their piccies took, while you and I have to sit out the British winter in a leaky bedsit in Drabsville?

Easy. It's 'cos

they're shockingly beautiful, and let's face it, we aren't. They do have things to put up with, though. Listen to 20-year-old Sue:

"Club flew me out to Barbados for two weeks, and it was gorgeous. Sun, booze, sex, the lot. But now I've got to go back home to

Darlington until the Editor wants me back in Club again. Isn't that sad?''

*Fnnr fnnr fnnr! It's **Allan 'Sid James' Bryce** bringing you a million festive puns in one video column! Nervous readers turn over ! Aaaargh!*

Yule never believe it, but Christmas is almost upon us again, the season of peace and goodwill to all men, when the kids get Rambo rocket launchers and Darth Vadar helmets and blast each other into oblivion, and Dad makes a fool of himself trying to get his lips round a Christmas Carol at the office party. And isn't it nice of that policeman to give him a balloon to blow up afterwards and let him spend the night decorating the inside of a police cell?

In the meantime, Mum's out at the supermarket getting her stuffing – well, she should have put some knickers on before bending over the frozen turkeys like that.

Santa may come only once a year, but you won't hear Mrs Claus complaining, because when he does he fills a stocking! *(That's enough, Bryce. Get on with it, for God's sake – Ed.)* Personally what I look forward to most at this time of year is getting my balls up on the tree and settling down in front of my 27 incher to enjoy the sort of tapes that get the old home-baked mince pies standing out on stalks. And with the sort of tapes I get in my Christmas stocking, it won't only be the crackers I end up pulling. *(Please? – Ed.)*

First of this month's festive filthies is a nifty little number called **Heaven's Touch** that should help get your Yule log smouldering nicely. This is a good quality adult feature that stars Michael Knight (not the one from *Knight Rider*, though he does spend a lot of time in the saddle) as a clean cut office executive who is dragged into the Xerox machine room by a trio of randy secretaries anxious to find out if his reproducing equipment is as large as rumour says it is. Unfortunately, the effort is just too much, and he flakes out stone dead – coming and going at the same time!

Next thing you know, he's up in heaven, feeling more than a little sick at having missed out on the treble chance. But there's been a mistake, because our hero isn't due to arrive for another 50 years. So he's reincarnated in the body of an ailing millionaire whose oversexed wife and underpaid butler want him out of the way as soon as possible.

Now if this all sounds vaguely familiar, that's because it's the same plot used in the popular Warren Beatty movie *Heaven Can Wait* a number of years ago. But in this adult version the faithless wife plans to dispose of her hubby by having him nookied to death. Our hero has a lot of fun at his wife's expense before a sexy angel (Veronica Hart) comes down to tell him he must give up his earthly body and take up residence in yet another – providing the film with a pleasantly happy ending. I think I'm safe in saying that this 18R production has more tits per minute than *Christmas Crackerjack*.

Veronica Hart crops up again in **Sweet Dreams,** but this time she's no angel. Instead she plays a girl named Pandora who does little else but gaze out of her plush New York apartment and fantasize about the weight-lifters who exercise in the building across the way. She'd certainly like to stroke their dumb-bells. But she's also a little frigid, and poor Pan needs somebody to liberate her desperately repressed sexuality – or failing that, a damned good shafting wouldn't come amiss. Then one day she goes into an old antique shop and spies a

## YOU NAME IT, MS CLARKE WILL DO IT!

If there's one part of my daily routine that seems to fascinate all of you more than any other, it's my bedtime. You want to know what time I go to bed, what I do before I get there, what I do *in* there, and what I wear when I'm doing it! Phew! So I thought I'd show you all my night time routine, so that you can imagine that you're there with me.

After I've had my bath and cleaned my teeth, I get into my old, comfortable pyjamas. Actually, they belong to a close friend of mine – a *very* close friend. And like all of you, he loves to see me flaunting my body in them.

And of course, because they're nice and baggy, they fall off really easily, which is exactly the way I like it . . .

Hundreds of you want to see me dressed like this, but one guy caught my eye when he wrote: ''I've always had a thing about seeing women dressed in men's clothes, and especially pyjamas. A gorgeous, well-formed woman like yourself would make even those unsexy, old-fashioned winceyette ones look incredible – I'd even lend you mine.''

As you can see, BG of Rotherham and many others, I've got my own pair. And although some might say they're not a sexy garment, I must say that I always feel incredibly randy while I'm wearing them. So bed's the best place for me . . . ♣

**Dear Andrea,**
After seeing your photos of you and Melody in Vol 17 No 9, I felt I must write to you and congratulate you on the set.

I thought the best pics of you were the large full-page ones where I could see both your lovely pussies. I also liked the photo of you both where you were in the bath together, which brings me on to my fantasy with you.

The setting is somewhere hot and tropical. You would be scuba diving whilst I'm above in a glass bottomed boat. Suddenly I see something out of the corner of my eye at the bottom of the sea bed – it's you.

You're collecting shells when accidently whilst swimming your bikini top becomes hooked up on a rock. Rather than stopping you decide to carry on swimming, leaving your top behind. Your large supple breasts swing freely now, leaving me to wonder what will happen next.

I decide to get my scuba gear on and join you (minus my trunks) for some deep sea fun. When I get to you, you realise that you are running low on oxygen so I decide to share mine with you. So every now and then we end up kissing, which gives me a hard-on, and then you decide that we should go back up to the surface to carry on our fun.

When we get to the surface I notice that you have somehow lost your bikini bottom, so rather than wait to get back on the boat we do it where we are. You dive under and gobble me, which doesn't take long to make me come. You gobble my sperm down frantically, then come up for air.

You then tell me to give it to you straight so I ram my dick up you, which makes you scream with pleasure. After that we get on the boat and set off into the sunset and make mad passionate love under the setting sun. – *Phil, Notts*

*That's what I like in a man, Phil – a real romantic. And one who can give it to me straight and make me scream with pleasure into the bargain!*

---

**Dear Andrea,**
Over the last few months, I have really been impressed by your appearances in Club; but my particular favourite was to see you dressed as a French maid in Vol 17 No 10. I particularly loved the white underwear with the black fishnet stockings.

That set had me dreaming; I was staying at a hotel, and you were the maid in my room. As you were dusting, I could not resist fondling your breasts and buttocks. Instead of a slap in the face, you gave me a long kiss, and in minutes we had undressed each other and lay on the bed. With your feather duster, you tickled my penis into an enormous erection. I kissed you again, cupping my hands under your breasts and rubbing your erect nipples with my thumbs. By now, you were begging me to suck your clitty, so I put my head between your legs and gave you a thorough licking. You moaned with pleasure, as I eased my penis into your yearning vagina. We thrust and thrust until we came together, my hot sperm shooting inside you, and your love juice pouring out over us both.

I woke up, sweating profusely, and with an enormous erection! – *Alister, Perth*

*I don't know about tickling your erection, but you've certainly tickled my fancy!*

---

**Dear Andrea,**
Keep it up, Andrea! The thought of you appearing in the next Club keeps me going month after month and I have had many a good wank looking forward to it.

My dream is to see you dressed as a traffic warden. You come round to my house and, seeing my car parked illegally, begin to write a ticket. I come out and plead with you not to, but it is no good and as you lean over the bonnet of my car your black skirt rides up over your thighs to reveal your black silk suspender belt and knickers. I then kneel down and slowly run my tongue along the soft white skin above your stocking tops until I reach the now damp knickers. I pull them to one side and run my tongue in and out of your luscious cunt to taste your love juices. Then, as your body shudders with your orgasm, I stand, drop my trousers and slide my rock hard prick into your quim to give you the fucking of your life, while still leaning over the bonnet.

So, how about it, Andrea – please fulfil my fantasy. Until that day I'll just have to keep on wanking! – *John, Norfolk*

*Only if I can plead guilty and be suitably punished! I know there are a lot of uniforms you'd all like to see me in, so let me know your special faves and I'll see what I can do!* ♣

**Well, what would YOU like to see Andrea do? Write to her at Club International, 2 Archer Street, London W1V 7HE and leave the rest to us!**

# IN ARREARS

The Ed called me into his office the other day. "Buttock," he said, "you'd better not forget that this is our festive issue, and just because *we* can't be arsed to do anything about the season of goodwill doesn't mean *you* can get away with it. I'm the Editor and I give the orders around here. So you'd better do something Christmassy or I'll have your bollocks with my chestnut stuffing, my son."

So I thought long and hard and eventually came to the conclusion that what all you buttock fanciers nationwide would like in your stockings would be a jolly good dose of peachy arse coming at you off the page. And how right I was.

I reckon that this couple would make old Santa's bells jingle. Or even his balls. Chew on *them* while you're watching *Disney Time*. – *Billy Buttock* ♣

the table so I could fuck her from behind. I fingered her cunt and guided my helmet to her cunt lips; one thrust and I was up to the balls. I thrust in and out, in and out, and she bucked hard. She begged me not to stop, but I thrust three more times and exploded my come inside her. I withdrew as come and cunt cream left a pool on the desk top.

That afternoon she came over to my desk. While she stood talking to me I slid my hand up her skirt along her thigh; her pubes were dripping. G-stringless, I finger-fucked her in the middle of the quiet office. But my promotion is still in the balance. – *LK, Manchester*

## Sex Talk

The girls of Club are the hottest, raciest, most provocative there are, and as far as I'm concerned, it leaves all the other competitors at the starting post. It's not just the stunning girls and their teasing poses though – the photosets are given added zip with the captions. There's nothing like listening to a girl talk dirty while you fuck her or while she tosses you off. So when I'm getting off over the girls in Club it's great to read some straight sex-talk from them as you feel the spunk coming up. I bet Danielle (Vol 17 No 9) could *talk* the come out of my cock – I hardly needed to touch myself before I was churning out my cream over her dreamy backside. And the same goes for all those other French girls you've featured in recent months. They look – and talk – so dirty.

I'd love to hear the girls in Club telling us how they like to wank their men, or watch them jerking off while they pose for them. And I'd double my spunk, I think, if Maggie and Charlie told us how much they liked guys shooting their come on their fabulous, cock-squeezing tits. Keep on adding the spice to your photosets and make them even hotter! – *Richard, Lancs*

strange mirror in the corner. Gazing deeply into it she begins to drift into a fantasy world where everyone who has previously come into contact with the mirror is seen going away at it hammer and tongs.

The film then takes off into a series of wild fantasies involving a) a gorgeous young thing ravished by a trio of Confederates; b) a randy actress touching up her make-up girl; c) a busty blonde trying out the casting couch; and d) a mass orgy presided over by a lady named Annie Sprinkles (so named because of her habit of drenching men friends at moments of high passion. Never go on a date with *this* gal without a raincoat). After witnessing all this, our heroine can hold back no longer and goes out to grab the two weight-lifters by the short and curlies. There then follows a prolonged sex session after which Pandora walks funny for a week. My verdict: it beats the shit out of the fifteenth re-run of *The Great Escape*.

Freeman's **Solitaire** (available for just £8.99), the sizzling story of a Swedish blonde named Inga who makes her living writing pulsating porn for women. When not putting pen to paper she spends the rest of her time exploring her own body. Then one day into her life comes horny journalist Barry Gold. Will he give Solitaire one too? We'd want our money back if he didn't! It all comes to a climax (literally) in a rampant sex scene that will have your trouser snake twitching uncontrollably. Can you honestly say that *The Sound of Music* has the same effect?

Right, what else have we got? Bing Crosby in *White Christmas* or a tit-filled extravaganza called **Talking Walls**. It's easier to work up the inclination to punish percy in the palm watching the latter, a saucy teen comedy about a nerdish high school kid who installs loads of video equipment and one-way mirrors in a sleazy roadside motel and then films the kinky goings-on there to help him in his planned thesis on intimate relationships. Forget all that nonsense and concentrate on the fact that this is a video voyeur's wet dream, packed solid with enough fetching females to make *Val Doonican's Christmas Special* seem like very small (Irish) potatoes by comparison.

And last of all let's elbow *Best Wogan Repeats of '88* and tuck ourselves up with Kim Basinger, who sees more sex action in **9½ Weeks** than most of us see in a lifetime. Re-released at a very reasonable £9.99 (or you can win it in our competition), this is high quality soft porn for the *Last Tango* brigade which finds curvy Kim shacked up with mucky Mickey Rourke and indulging in the heaviest S&M scene since Indiana Jones got picked up at Cynthia Payne's place. She's a sensitive divorcee, he's a thrusting commodities dealer and they make such beautiful music together that it's a wonder the bloke next door doesn't knock on the wall and ask them to turn it down a bit. Why does it only last 9½ weeks? Well, after all that time playing around with whips, chains and blindfolds they're almost as knackered as the audience is.

Must go now. I'm having a big bird for Christmas dinner and I think that's her knocking at the front door.♣

Take a close look at Judith Marjai. This stunning 20-year-old Hungarian has just won Italy's Miss Cinema International competition for the most promising young actress of '88. That's given her a major part with notorious Italian director Frederico Fellini, the man who gave us the weird erotic classic *City of Women*.

In the meantime, though, Judith was only too happy to pose for Club in our man Tallarigo's Rome studios. "It's not easy to get Club in Hungary, so I am asking Mr Fellini to shoot his film in Great Britain," she told us. "I hope the film will make me a star, but I hope just as much that my nudes in Club will make me well-known over there. I would love to be a sex symbol for all those British men! Being a film star would be a nice bonus after that."

On this evidence, both Judith's wishes will come true pretty soon.♣

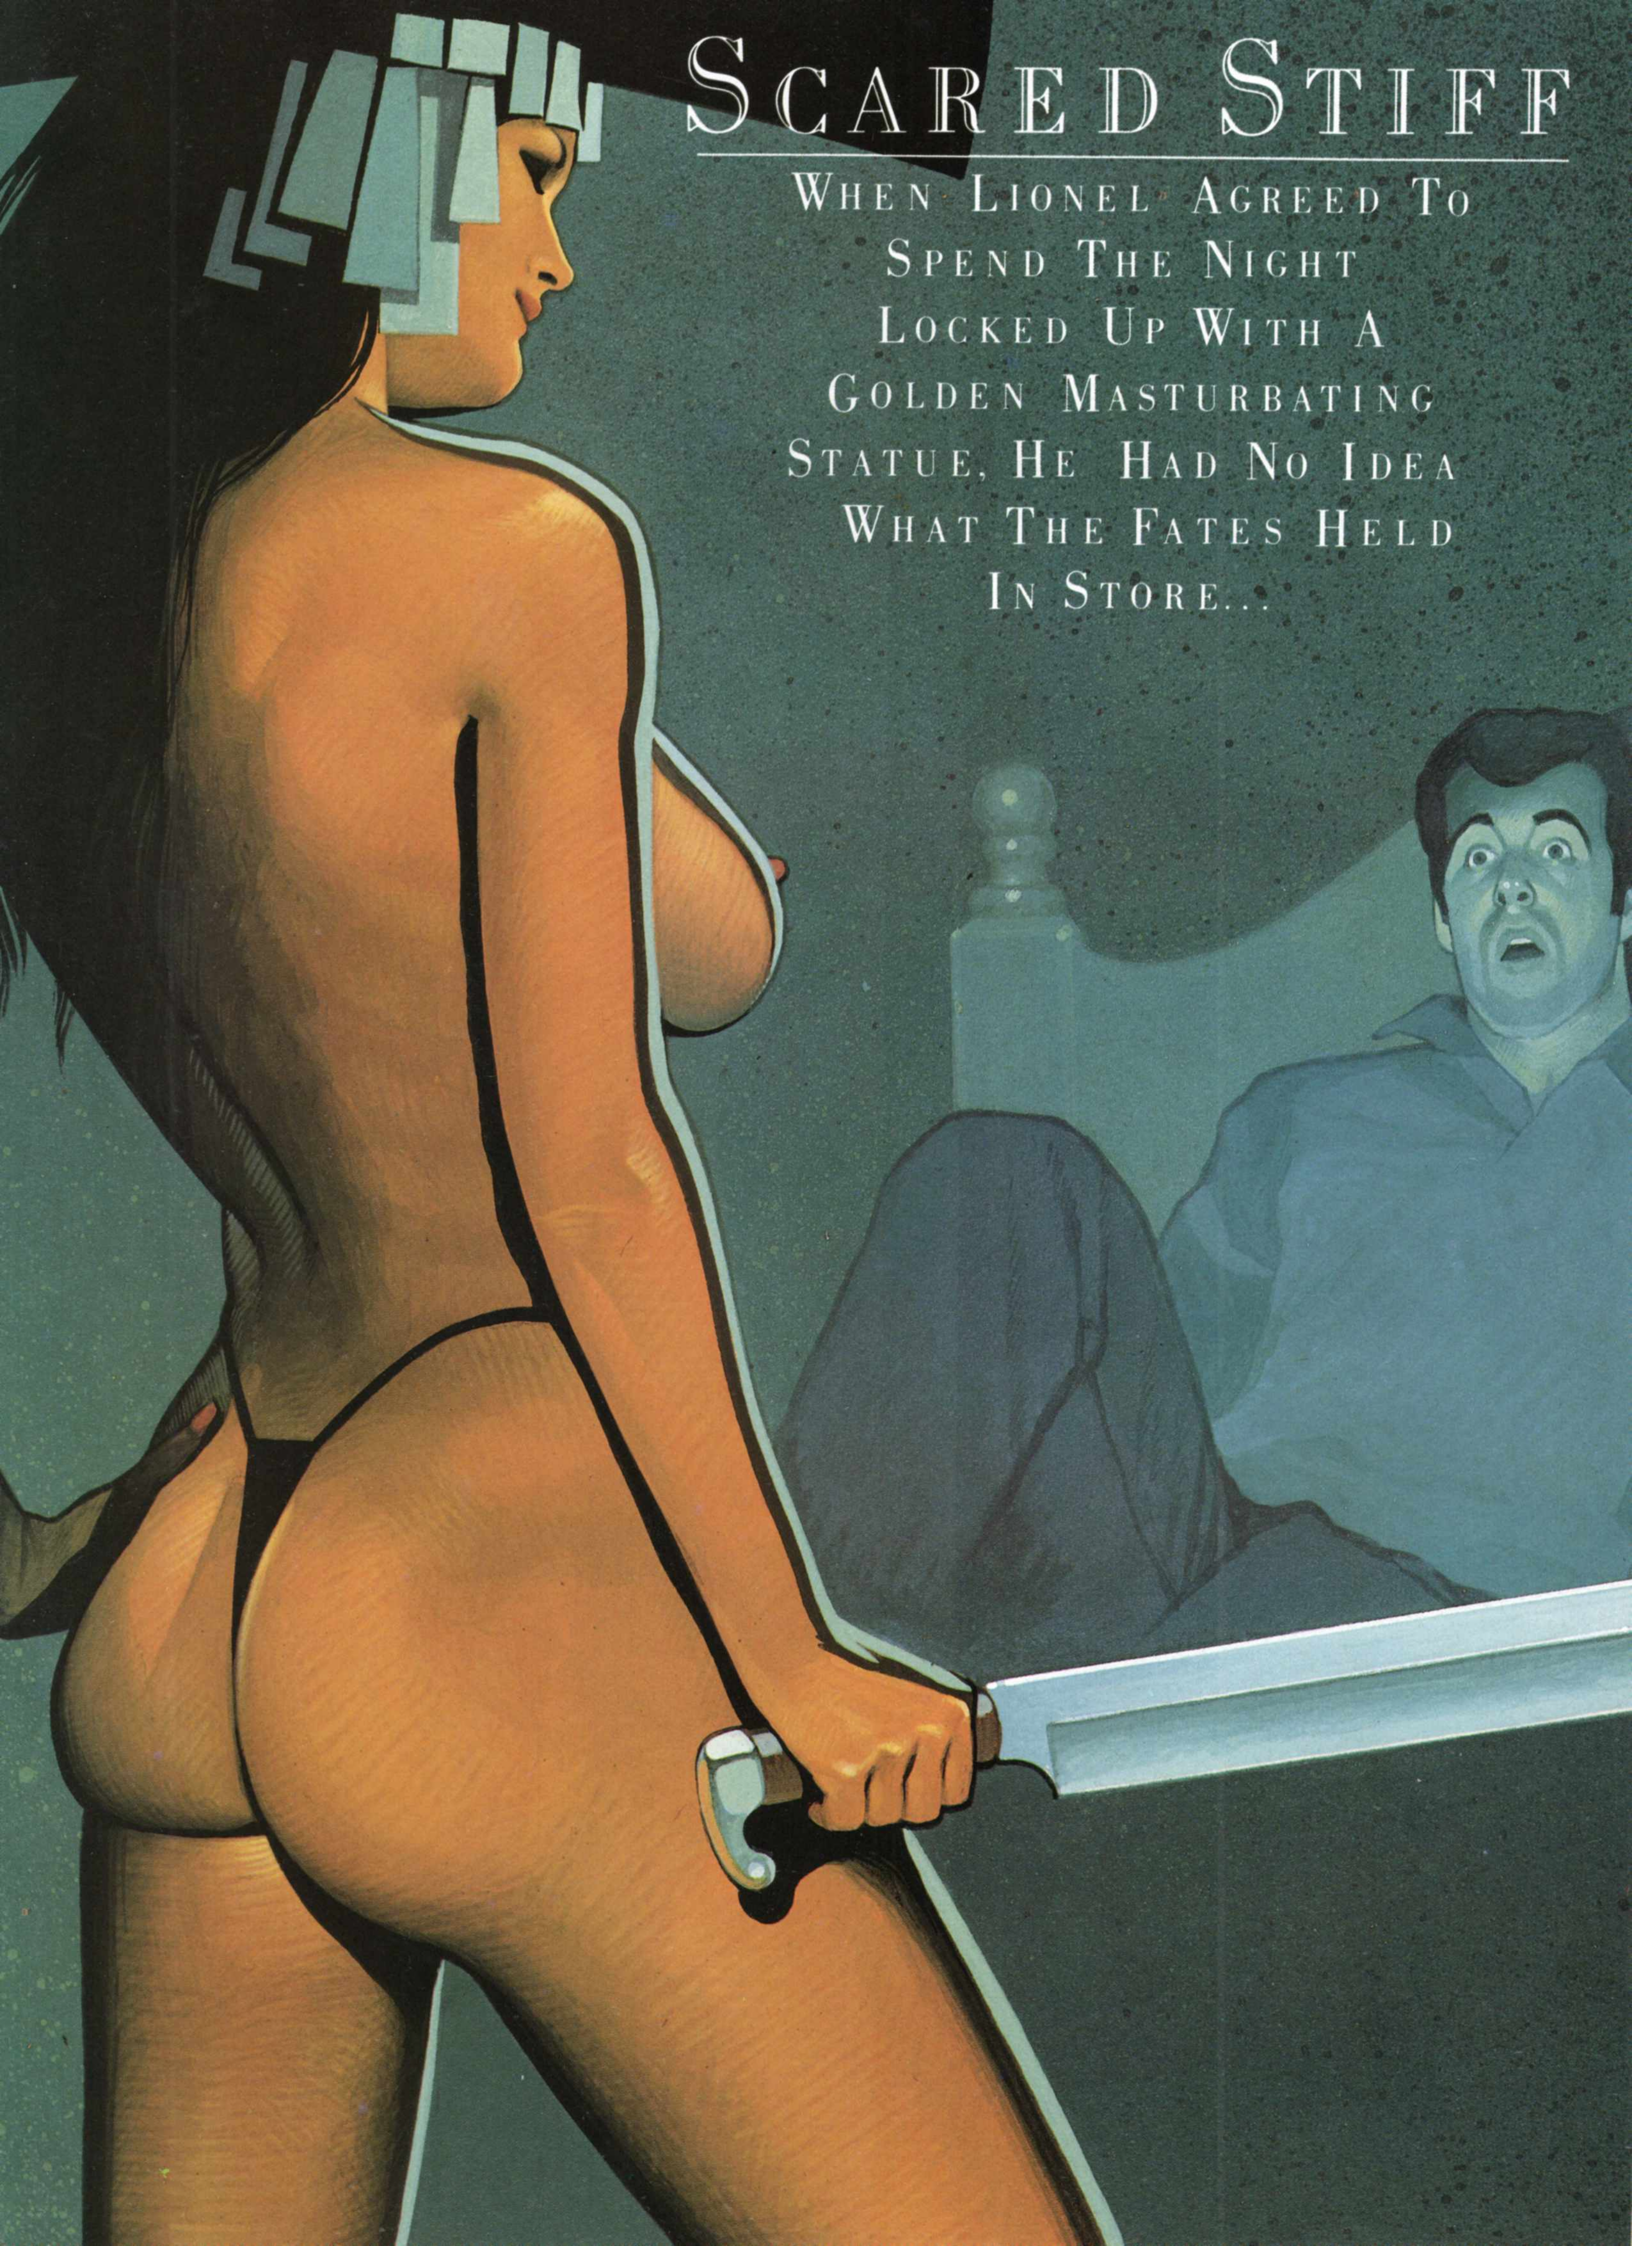
WHEN LIONEL AGREED TO
SPEND THE NIGHT
LOCKED UP WITH A
GOLDEN MASTURBATING
STATUE, HE HAD NO IDEA
WHAT THE FATES HELD
IN STORE...



# FICTION

## BY LEE RUSSELL

Lionel Trench, Private Investigator, nervously unscrewed the cap of his hip-flask and began to climb the creaking, dimly-lit staircase of Hedgely Manor. He took a long swig of Scotch, trying to concentrate on the cold facts of his present case rather than the terrifying supernatural implications.

''Right,'' he thought. ''Eminent archaeologist Lord Clarence Hedgely returns from Mexico where he has been excavating an ancient Aztec temple. With him be brings a souvenir: a statuette of an Aztec god which he has unearthed.

''He shows it to the only other occupant of Hedgely Manor, his sister, the noted psychic Lady Constance Hedgely. She is immediately overcome by a feeling of dread and tells his Lordship that the artefact is possessed by an evil spirit. Lord Clarence, an unbeliever, merely laughs and retires to his room, alone with the statuette. In the morning his lifeless body is discovered in a terrible condition; eyes bulging, tongue lolling out, pyjamas ripped and mangled, etc.''

Lionel stopped and took another belt of Scotch.

''Lady Constance believes that the statuette is in some way responsible for the old boy's demise and that his Lordship's spirit is not at rest, but she is unable to convince anybody of this. A few days later an elderly male guest staying over at the Manor for his Lordship's funeral unwittingly sleeps alone in the room containing the statuette. The following morning this gentleman's body is found in the same dreadful condition as Lord Hedgely's.''

Another long swallow.

''Lady Constance, afraid to remain at the Manor alone, moves in with her sister in Brighton and, after a quick flick through the Yellow Pages, calls me. Due to my position of intense financial embarrassment I am unable to refuse the offer of £100 per night to establish whether or not the Manor is host to a malevolent, incorporeal entity.''

Lionel paused at the top of the stairs. From somewhere deep in the house came the booming chimes of midnight.

''There is only one logical way to approach this case,'' he thought, draining the hip-flask, ''and that is to be scared shitless.''

A large funeral wreath hung on the door of the bedroom in which Lionel was to spend the night. Charming, he thought. With a trembling hand he slowly opened the door and switched on the light. The room was small and most of the floor space was taken up by an antique four-poster bed. Against one wall stood a marble fireplace and on the mantelpiece above it stood the statuette.

From what Lionel knew of the Aztecs, which wasn't much, he had expected the figure to be of a handsome youth with an athletic physique and an ornate head-dress. What he actually saw was quite different. Mounted on an onyx plinth was a six-inch-tall, pure gold representation of a tubby little bald-headed man performing a blatant act of self-abuse. With his knees bent and a slight smile on his face the little idol stood with both hands wrapped around his organ.

He had a right to be smiling; taken in proportion, his golden dick was enormous.

Suddenly there was a violent rush of air through the room and the door slammed shut. Lionel jumped, his heart pounding wildly. He looked warily around but everything seemed normal. Just a draught. All the same, the room felt stuffy and Lionel was sweating slightly. Keeping one eye on the little idol on the mantelpiece Lionel took off his raincoat and walked over to the bed.

As he lay down a mounting sense of apprehension crept over him. It was the same feeling he used to have as a teenager while walking home from a horror double-bill at the local Gaumont. Fortunately, so far it wasn't accompanied by the warm, uncomfortable sensation in the underpants.

Despite his anxiety Lionel soon began to feel drowsy. The unnatural warmth of the room and the enormous amount of Scotch he had consumed were taking effect. Before long he was asleep . . .

Lionel woke up. For a few seconds he had trouble remembering where he was because the room was in complete darkness. He was certain that he hadn't put the light out before he dozed off . . . perhaps the bulb had gone. The air in the room was even hotter and damper than before. Gripping the bedclothes and summoning up all of his courage Lionel decided that he would get up, check the bulb and open a window.

Before he had a chance to move there was a blinding flash and, from the direction of the fireplace, a deafening, high-pitched shriek. Panic-stricken, Lionel screwed up his eyes, stuffed his fingers into his ears and decided to stay where he was. He'd never pretended to be anything except a 100 per cent out-and-out coward – and he was proud of it.

After a few seconds (which seemed like an eternity to Lionel) the shrieking stopped. Slowly he opened his eyes and then gasped in terror. Standing at the foot of the bed was a tall figure in an Aztec head-dress, a long sacrificial knife raised in its right hand. As it moved towards him it began a low, hypnotic chant.

A degree of amazement mingled with Lionel's abject fear as he realised that the figure was a woman. And she was almost completely naked. Apart from the head-dress she wore only two items of clothing: a miniscule leather loin-cloth and an emerald in her navel. As she drew closer Lionel's gaze darted between the sacrificial knife and her huge, bronzed breasts. He tried to move but he was pinned to the bed, frozen into position by some supernatural force. The apparition approached the head of the bed and leaned over him, her surprisingly tangible-looking tits hovering just above his face. He felt oddly inclined to suck them.

''I am Tihuaka, slave of Kakintek,'' she intoned.

''I b-beg your pardon?'' said Lionel. He had been frozen into position before he'd had a chance to remove his fingers from his ears. The apparition grasped his arms and placed them either side of him on the bed. He half thought those tits would suffocate him.

''I am Tihuaka, slave of Kakintek,'' she repeated.

Oh shit, thought Lionel.

''Kakintek commands and I must obey.''

''Of course,'' said Lionel. His mind was racing. The sacrificial knife hovered directly above his abdomen; he had to have time to think.

''Your, uh, your English is very good,'' he said in desperation, ''for a Mexican.''

''I have had much time to learn,'' replied Tihuaka. ''For nearly five hundred years I have been in limbo with the lost souls of many nations.''

''Five hundred years, eh? Well, you've certainly kept your figure.''

Tihuaka stared deep into Lionel's eyes. ''This body is a temple,'' she said.

Looking at Tihuaka's lithe and voluptuous figure Lionel decided that the Aztecs had one up on us when it came to religious architecture.

Suddenly Tihuaka's eyes widened and she stood bolt upright. Her tits wobbled with the sudden movement. Lionel couldn't take his eyes off them.

''Enough!'' she cried. ''It is time for the ritual!''

A whimper escaped from Lionel's throat. He was no expert on ancient South American culture, but he knew that in Aztec rituals someone usually wound up minus some of his internal organs. Still unable to move, he closed his eyes and prepared for the worst.

He heard the blade swish through the air a couple of times and felt sure that at any second he would feel excruciating pain. The room was completely silent for several seconds, and then Tihuaka began the low, droning chant again. Lionel felt nothing. He opened one eye.

Tihuaka stood over him, eyes closed, chanting. Looking down Lionel saw, much to his relief, that he hadn't been cut; in fact the knife hadn't even touched him. However, it appeared that with a couple of deft strokes Tihuaka had slit open his clothing from his neck to his groin. He noticed something else too – something that he found rather surprising. He had a huge erection. He wondered if this was what was meant by being 'scared stiff'.

Actually he'd never seen his tackle in quite such good shape. He could hardly believe that in his present state of unqualified terror he was capable of producing such a prize specimen; but there it stood, rising out of his tattered trousers like a decommissioned lighthouse.

Tihuaka stopped chanting. She opened her eyes and stared at Lionel. He felt like he was being hypnotised.

"Mohana Bohicua Tokaru," she said.

Lionel thought that this probably meant: "And now I'm going to rip your wildly beating heart from your puny white chest" in Aztec, and was even more convinced when Tihuaka once more raised the sacrificial knife. Instead of moving towards Lionel, however, she lowered the blade again and gently severed the thin leather ties that supported her loin-cloth. It fell to the floor, revealing her cunt.

"No bikini line," thought Lionel absently as the tiny garment dropped to the floor. "An all-over tan."

Tihuaka climbed on to the bed, her long, black hair cascading over her shoulders, and knelt astride Lionel. He could only watch in amazement as she lowered herself, inch by inch, on to his throbbing, bewitched member, which was now glowing eerily in the darkness. Then she began a slow rocking motion and leaned forward until her mouth was close to Lionel's ear. Her hot breath was making him feel like shooting his load.

Lionel felt the sudden, sharp movement as Tihuaka took his whole length into her cunt at once. She sank down hard as if she was making sure that she had all of his shaft inside. Then slowly she knelt up, sliding his prick all the way out until only the tip was still inside her hot cunt. There was a sucking noise as she did this, but Lionel felt in no position to comment on it.

*He could hardly believe that in his present state he was capable of producing such a prize specimen.*

Then she went down again, and then up, down and up, faster and faster until Lionel was thrusting his hips up towards her as if his prick was about to fly off. Tihuaka might be 500 years old, but she was certainly still frisky. He fervently hoped that if he lived to be 500, he'd be able to perform as well as that.

Just as he thought he couldn't help but shoot his load, Tihuaka rose to her knees above his hard-on and turned round. As she crouched over his taut body, Lionel looked through her open thighs and watched in fascination as her crimson lips closed round his throbbing helmet.

He still thought that he couldn't hold out much longer, and was wondering how he could apologise to a 500-year-old Aztec deity for coming over her face, when he realised that Tihuaka was totally in control. The feeling of her lips enveloping his swollen shaft told him *she* was going to tell him when he could come. He quite liked that knowledge as he gazed idly at her arse, wobbling up and down as those pouting lips almost sucked his prick right off.

"The time has come," said Tihuaka clearly, releasing his tool and turning round to face him again. Her cunt left a wet trail on his stomach. She paused above him for just a moment, then sank slowly down. She swallowed his prick completely, taking the whole length in one go with no problem.

Lionel thought the time certainly had come. He felt as if his balls were boiling as they slapped loudly on the back of Tihuaka's buttocks. She was draining the juices from him as she perched above him, staring down at him and thrusting silently.

"Bohicua Tokaru," she murmured in a voice that was almost a purr.

"Absolutely," Lionel replied breathlessly.

Time seemed to stand still and a strange sensation came over Lionel, the like of which he had never felt before. As Tihuaka rode up and down on his enormous shaft he felt a timeless sense of power, an unlimited cosmic vitality coursing through his veins. Lionel Trench, Private Investigator (Divorce Cases A Speciality), began to feel like an Aztec god.

Then darkness descended on the room and he slipped into oblivion . . .

When Lionel eventually came round Tihuaka had vanished and sunlight was streaming in through the window. Lionel stared at the old floral wallpaper across the room, his vision swimming slightly. Considering what he'd been through he didn't feel too bad; cold, light-headed and a bit stiff, but fairly comfortable apart from that. He still had a raging hard-on, which he was clasping tightly with both hands, and as he recalled the events of the previous night he couldn't help but smile.

"What a night!" he chuckled. "Fucked senseless by a nubile Aztec phantom! Incredible! And earned a hundred quid into the bargain.

"Not that I'll ever get to see that, I suppose.

"But I solved the case, that's what matters. What happened to Lord Hedgely and the other old geezer when they slept in this room is no longer a mystery. Not to me, at least."

Lionel cast a glance at the limp, lifeless figure on the bed.

"I just wish I could phone Lady Hedgely to let her know what I've done."

He strained to look down at the carpet, miles below him.

"If only I could get down off this bloody mantelpiece," he thought. ♣

**"I didn't believe in love"**

*Separated, with a two year old son, at 22, Helen wanted to broaden her horizons, and to assuage any fears about using a dating agency, chose the biggest and longest standing, Dateline. Peter, a 25 year old legal executive, was a member of Rotoract and had a busy social life, but nothing resulted in him meeting a girl he found interesting in a romantic sense. Ultimately he decided to give Dateline a chance. Peter was "wowed" by the attractive brunette who answered the door when he arrived to meet Helen, and she was equally overwhelmed. "I hadn't thought of love at first sight. It unnerved me a little bit," says Peter. They saw each other as often as possible, and "now see marriage in the fairly foreseeable future." "I didn't believe in love" laughs Helen "but I have all the classic symptoms. I can't believe my good fortune."*

# You too can find love

### HORSE PLAY

Over here, you can't get hold of fuck books like Club very easily, but my boyfriend and I have managed to get hold of a few copies when we've visited England, and your magazine is our favourite, especially the *Talkin' Blue* section. We thought it would be great to see our own story there.

Joe and I have been going out for a year, and have been fucking nearly all that time. We were both virgins when we started, but we soon got the taste for it, and now we have a shag any time and anywhere that we can. The trouble is finding somewhere to do it; we both come from big families who are very religious, so sex out of marriage is frowned upon. But last New Year we managed the best screw we've ever had.

Joe's best friend is the local blacksmith – still quite a valued, if rare, profession over here – and he makes a good living out of it. He's got a dead nice new Transit van that he uses for his work, but Joe and I put it to quite a different use during my family's New Year celebrations.

We'd been drinking all day and well into the night, and when I drink I get really randy. One glimpse of Joe's cock and I'm unstoppable. I was feeling especially frustrated that night, and my cunt was juicing up ready for a good session on top of Joe's long prick. But though we tried, we couldn't find anywhere to do it. Every room was filled with various friends and relatives, and we just couldn't risk getting caught. Joe had such a big hard-on from me frantically rubbing his cock through his jeans that his stiffy was almost poking out above his belt. I was desperate to be fucked, so Joe went over to his friend, and came back dangling the van keys in his hand.

"It's the only place I could think of where we won't be disturbed!" he told me, as he pulled me out of the door. The van was parked round the corner, out of sight of the house, and Joe unlocked the back before pushing me inside. I made sure we couldn't be seen through the front windscreen before unzipping my dress and taking it off. There wasn't much room in the back of the van, so we had to kneel as we started to tongue kiss and fondle each other. The way Joe's cock felt, I knew it wouldn't be long before he was spunking, so I pushed him on to his back and rolled off his jeans and underpants. My fanny was so hot I thought it would explode, as I whipped off my soaking panties and straddled Joe's rock hard prick.

As I sank down on to it, he started to thrust his hips up and down, and after only a couple of minutes I felt a hot gush in my box and I knew he'd shot his load. Poor lad, he couldn't wait after I'd spent the whole party groping him.

But I hadn't come, so he pushed me on to my back, and knelt up while he worked his cock up to erection again with his hand. A little help from my tongue soon had the pre-come juice shining on his knob, and he pushed my legs on to his shoulders as he thrust his straining knob into me again and again. I could feel something really hard and uncomfortable pressing into my back and bum as we rolled round on his friend's horse blanket, but I didn't know what it was. All I was interested in at that point was the orgasm that then erupted in me, making my love juice run out of my fanny quite freely. Joe took his prick out at the last minute and sprayed my tits and stomach with spunk; the smell of our juices mixed with the strong smell of horses inside the van was pretty powerful, I can tell you!

After that I looked underneath the horse blanket to find what had been pressing into my back so painfully – it was a load of Joe's friend's smithy tools, along with several new horseshoes. I'd been lying right on top of one of the shoes, and it had left a clear horseshoe mark on one of my buttocks, as if I'd been branded! Actually it was a bit painful, but Joe seemed to like it anyway, as he kept kissing and biting the mark when he turned me over and did me doggy style.

Now, I can never see a horse without the smell of that van coming back to me clearly, and I'm thinking about having a lucky horseshoe tattooed on my arse. It was certainly lucky for me that night! – *Concepta, Kilkenny, Ireland*

### GROUPIE SEX

When I was in my early twenties a few years ago, I was known as a bit of a groupie on the London concert circuit. If there was a well-known band playing in town, chances were I'd be back stage afterwards chatting up some member of the entourage. And I never left those kinds of parties alone.

I screwed some pretty famous people in my time, but none of them were what you'd call really spectacular lovers – that is, until one night at the Lyceum when I spotted this absolutely stunning Indian guy eyeing me up. Pretty soon, I'd gone over to where he was standing and was chatting him up while he was mentally undressing me with his eyes. It turned out he was the lighting man for one of the bands, but I didn't find that out until we were in the taxi going back to his place.

As soon as he'd shut the door I started to pull my clothes off, trailing them all the way up the stairs as we went to his bedroom. He had a wonderful body, smooth and very dark which is just the way I like my men. And he had a full hard-on even as he took off his underpants. I couldn't wait to get that cock in my mouth, and knelt down to suck it, pulling gently at first then faster and harder as it started to twitch, then shot a thick wad of red hot come into the back of my throat. I swallowed it all, as I love the taste of spunk.

From my kneeling position on the floor, he lifted me up on to his bed, my arse towards his face. He parted my bum cheeks and could feel that I was soaking wet as he pushed his thumb into me and started to wiggle it round. I couldn't take that for long, and frigged myself as I felt his long, dark cock replacing his thumb. Although he'd only just shot his load, he was still very erect and obviously full of sperm, as another hot load gushed into my fanny as I had my orgasm.

We didn't get back out of bed for two whole days, and when we did it signalled the end of my groupie days – for I've been getting happily fucked senseless by Imran ever since. – *Julie, Croydon*

## FREE RIDE

I've got this thing about fucking cabbies. I don't know how it happened. It started one night when I'd been out clubbing with a couple of mates from work, and I hailed a cab in the town centre to take me home. I was a little drunk, and it only occurred to me as we turned into my road that I didn't have enough money for the fare.

When I told the cabbie he just grinned and said, "Well, a good sucking off will have to do, then." At first the idea didn't appeal too much, to be honest, but I didn't have any other option so I leant over to undo his trousers and found that he'd already done it.

He had one of the nicest cocks I'd seen for a long time, not all that long but lovely and thick with a good long hood, so I thought, well what the fuck? I can tell you it was no hassle giving him a thorough blow-job, although I insisted that I wouldn't swallow any of it. Instead, I finished him off by pointing his straining prick up at the windscreen and wanking him until he sprayed a long stream of thick jism all over it.

Since then, every time I've needed a taxi I've paid the same way. And believe it or not, I really enjoy the thrill of it. Last week, I blew a middle-aged cabbie in broad daylight right outside my house, after he'd picked me up in town with a load of shopping. I'm sure my neighbour's curtains were twitching like mad but I just don't care.

And as well as providing me with more cock than I know what to do with, it saves me a fortune in fares! – *Dawn, Birmingham*

## KINKY BOOTS

I am a student at a drama school and for our end of year show we put on a musical set in 1920s Berlin. In one of the scenes several of the girls, including me, performed a Marlene Dietrich style number, where we dressed in black leotards, top-hats, high shiny black boots and long sensual black leather gloves. I really enjoyed flaunting myself; it was very erotic.

On the last night I could see my boyfriend sitting in the front row with a couple of his mates, and it was obvious they were enjoying the spectacle. Phil was shifting in his seat and I could see the unmistakable shape of his lovely nine-inch prick, hard as iron in his trousers. At one point I squatted right in front of him with a silver-topped cane between my legs, and as I caressed the knob I could see a look on Phil's face that I hadn't seen before – he looked *really* horny and excited. This made me all the randier too, and I felt very wet between my legs.

I was so hot for Phil by the end of the show, that I decided I couldn't wait for that juicy prick, and anyway, I had something rather special in mind. So I dragged him backstage, where there were lots of props and all kinds of junk. I told him to wait by a heap of cushions, and I disappeared behind a changing screen. When I came out, his eyes nearly popped from his head. All I was wearing were the black leather gloves and boots from the show.

I stood in front of him, running my gloved hands up and down my body, squeezing my firm tits for him. He was rooted to the spot. "You like these gloves, don't you?" I said. "I think I've found your weak spot." I told him to get undressed and I sprawled in front of him on the cushions.

He stood there, his long dick bobbing with excitement, while I continued to caress my body. I opened my legs wide, and drew my knees up, showing him my glistening pussy. I stroked my open lips with my gloves, and Phil gasped when I slid one, and then more fingers into my aching cunt. The juices were running down my spreadeagled thighs. "Come here," I said, "and kneel between my legs." He did, and I gripped him with my high boots. "Now then," I said. "My pussy is dying for a feed, but I think you want something else first, don't you?"

With that I gently took hold of his cock in my gloved hands and started wanking him. I did it real slow, cupping his balls in one hand and pulling rhythmically with the other. I wanted him in my cunt but I couldn't stop pleasuring him with my gloves, and I don't think he would have let me! I teased him a bit, pausing to caress my breasts, but kept coming back to his now bursting prick. I held it lightly, brushing the leather against his skin, and suddenly his knob jerked and sent a thick stream of come against my breasts. I squeezed him hard, and brought up more spunk which dribbled down my gloves. Phil was in a trance and gazed on as I rubbed his come into my breasts with my hands.

By now I was desperate for an orgasm, so I made Phil lie down on his back, and then I sat astride him, gripping his head and body between my boots, and lifted my dripping pussy directly over his mouth for a good licking. I came almost at once, and was just working up to another one when I suddenly noticed Phil's two mates appearing – I think they must have been waiting for him all that time.

I felt so horny, I called them over and told them to stand by me, one on each side. Then I unzipped them and took out their stiff, hard cocks. I was still squatting over Phil's face, who was still tonguing me like crazy, and now I had a lovely fat dick in each gloved hand. I wanked them both at the same time. I licked them, sucked them, rubbed them against my cheeks, and completely lost control. Phil, caught between my creaking leather boots, sucking away at my cunt, must have had a fantastic view of me caressing those two cocks with my leather gloves.

I can't really remember exactly what happened – I just remember the jets of come in my face and over my lips. Some of it dripped down on to the tops of my boots, and my gloves seemed covered. I sank back, exhausted, but couldn't stop caressing my body, it was so thrilled with pleasure. I rubbed the sticky come into my skin, and licked the fingers of my gloves. I then almost fainted with pleasure as I felt Phil's revitalised cock slipping into my pussy and filling her.

It was an unforgettable fuck, and an unforgettable evening. Needless to say, I've kept those boots and gloves from the show for my own private use, and they never fail to work wonders! – *Katrina, Manchester*

## NORTHERN HOLE

Near where I live, they have Northern Soul discos that go on all night. If you're heavily into the music, like I am, they're brilliant, providing you take steps to make sure you can stay awake the whole night (and I'm not talking about black coffee, either!). It's sometimes good to take a little break from the dancing, though – and what better way than to disappear outside for a quick fuck?

I'd often thought of what it'd be like, meeting a really good looking bloke, just clocking him straight away and dragging him outside, pushing his hand up my skirt so he could get a good feel of my throbbing clit and wet pussy. I've always found the idea of fucking in the open air, where there might be a chance of getting caught, dead exciting. That's what I did at the all-nighter last Friday. I won't tell you where it happened, because the organizers officially frown on that sort of thing.

I always go to the all-nighters with my mate, Marion, who's four years older than me (I'm 18) and who got me into Northern Soul in the first place. It was about four in the morning, I suppose, and we were bopping away when these two blokes came and started dancing next to us. We were both aware of them eyeing us up – which was exactly the response I was hoping to get with my new skintight mini dress (no panties or stockings to spoil the contours, you understand). One of the boys in particular had his eye on me; and while Marion didn't fancy his pal, she agreed to pair off with him so I could get my man.

His name was Gary, he was 22 and came from Bolton. After dancing for a while, he bought me a Coke (alcohol is out) and we sat down. Then, as it was beginning to get light outside, he asked me if I fancied going for a walk. My cunt tingled at the very suggestion.

The streets were deserted as we walked outside and turned into the alleyway at the side of the hall. It was a bit parky, but I didn't really think wearing my coat was appropriate. Anyway, I soon warmed up when Gary pushed me up against a wall behind a giant skip and started necking me. He was a real deep-throat artist, so I responded in kind.

As we got more and more into it, hands started wandering – his *and* mine. I ran my hand over his crotch, but couldn't detect much sign of life, so I pulled down his zip and stuck my eager paw through the flap of his boxers. He gasped as I stroked his flaccid cock, and said: "Sorry, it's a bit cold!"

I'd come across this problem before, so I knew exactly what to do. I undid his trousers and pulled them down to the ground with his boxer shorts. I then crouched in front of him and cradled his balls and cock in my hands, rubbing them firmly but gently to warm them up. Within seconds, I was rewarded by the sensation of feeling his ball sac tighten and his prick getting bigger. Keeping one hand on his balls, I used the other to wank him furiously until he was good and stiff. Then I completed the warming process by popping his hard-on into my mouth and giving him a good sucking.

Then I stood up and hitched my tiny red dress up around my waist. I ground myself against him and gave a little squeal as his thick cock rubbed against my clit. After about a minute of this, his cock was well coated in my love juice, and a sizeable globule of pre-cum hung on to his purple knob end. I bent down and licked it off: I don't really like a bloke to spunk down my throat, but I don't mind the odd drop or two.

I stood upright again and braced myself against the wall. I was only just aware of the dull thud of the music coming from inside as he took hold of his stiffy and eased it into my slippery, wet pussy, easy as you like.

Immediately, he started banging away at me, stopping for a few seconds every now and then to prevent him from shooting his load too soon. Then I felt that beautiful surge building up inside me and I yelled out to him: "Faster, you bastard! Faster!"

He duly obliged, and my bare arse pummelled against the wall as he thrust into me again and again. I think his orgasm started first, but I was only a fraction of a second behind him, digging my nails into his shoulders as I threw my head back and moaned. I don't know when Gary had last emptied his balls, but I've never had anyone unload such vast quantities of spunk into me. I could feel it trickling down my bare thighs before he'd even pulled out of me.

When he did withdraw, I gave him another smacker on the lips as a thankyou for giving me such a good fuck. He gave me his handkerchief to clean myself up with. After he'd massaged my bum cheeks, which were all pock-marked from pressing against the wall, we went back inside to join the others.

I've washed out his handkerchief and put it in my handbag. Hopefully I'll need to use it again at the next all-nighter. – *Julie, St Helens*

# Holiday Blues

### *Pussy on the Piste*

Last Christmas, my girlfriend Janie and I went off on a skiing holiday to Austria. To everyone else we must have looked like two normal young students enjoying a carefree holiday and flirting with all the good looking young guys we could find, but really we weren't all that interested in them. As soon as we'd locked the door of our chalet each night we were pulling each other's ski suits off before falling on to each other in an orgy of frigging and sucking.

We'd had to go on holiday together because our parents didn't know we were dykes and we couldn't think of any way that we could carry on seeing each other in the college vac. And on holiday, it was great not to have to worry about being spotted together.

But we really let our hair down while we were in Austria. The resort was in the Tyrol, so it was full of rich young guys and girls all looking for a good time and enjoying the freedom of being able to do what they liked, when they liked.

After a week or so of our holiday, Janie and I were looking for a little more excitement, but we couldn't think of anything that would be different and a turn-on at the same time. But when we saw one of the new arrivals at the breakfast table of our hotel, I couldn't wait to tell Janie my idea.

"Did you see that really gorgeous bloke who's just arrived?" I asked her later in our room. We both quite like men as well as girls, and I thought this would be the ideal thing to spice up our holiday. "He was bloody tasty. Don't you think it would be interesting . . ."

Janie caught on to my idea straight away, as I knew she would, and reached down to finger me as we discussed the idea of seducing the newcomer into a little ménàge-à-twat.

"From the way he was chatting to the waiter, I think he must be German," Janie said, her voice wobbling slightly as my tongue inched its

way down her stomach to her pubes. I could feel the heat from her pussy as my lips moved nearer and nearer, and her clitty was sticking out from between her cunt lips, dark pink and hard and throbbing as I touched it with the tip of my tongue, feeling all the wetness starting to flow out of Janie as she stretched right back on the bed, lifting her hands to fondle her boobs. Soon, her legs were bucking as she had her orgasm and the juices started to trickle out from between her thighs. I sucked them all out, savouring the taste.

The idea of having a threesome soon began to take shape, and we started to discuss ways of getting introduced to the young German. I soon sussed out that it wouldn't need much work, as I caught him eyeing up Janie one evening at dinner. I wasn't surprised – Janie's a gorgeous blonde with high, firm tits and beautiful long legs, and I'm used to a lot of men fancying her. And I found it very amusing to think that our plan would now be much easier to put into operation than we'd thought.

''Now's the time, Janie,'' I told her as we drank our coffee in the lounge. ''He's been staring at you all night. I bet he's got a huge bulge in his trousers.''

Janie giggled, and shyly glanced over to where our quarry was sitting. The next we knew, he'd approached our table and was ordering us drinks from the waiter.

He told us his name was Gerhard and he came from Cologne, but that was about all we ever found out about him, as it was obvious what he was after right from the start. A couple of hours later, we were walking out to our chalet at the complex and he still hadn't worked out quite what was going on.

He soon did when we locked the door and both started to strip off, though. As Janie revealed her blonde, wet pussy to him, he looked at me and asked:

''Am I to have you both?'' I told him that he was, and at first he looked really shocked, but then delighted soon afterwards! He could hardly get his clothes off quickly enough.

''Help him, Janie,'' I said. I always take charge in the bedroom. Janie knelt down to pull his jeans down, and his prick sprang out of his pouch knickers and bobbed in front of her face. He was circumcised and Janie hadn't seen a prick like that before. And what he lacked in length, he made up in thickness, and I couldn't wait to see it pumping away inside Janie, and then feel it in my own cunt.

''Please suck it!'' Gerhard said hoarsely, and Janie firmly clamped her lips round it, licking up and down the exposed circumcised shaft and nibbling his large, hairy balls erotically. He was holding his cock by the base, leaning back and groaning as Janie gave him one of her special blow-jobs. I was getting really excited by this time, and both Janie and I were fingering ourselves madly. The only sounds in the room were a few moans of pleasure and the furious sucking of Janie's lips.

I could see that Gerhard was about to come, so I said to Janie, ''He's going to shoot,'' and she quickly let go of his cock to receive a come shower all over her face and hair. Not wanting to waste any, I went over and started to lick it off her face, tasting the salty come. I'd had my first orgasm by now and was working up to another, as Janie's hands went down to my heated pussy and stirred my love juice round. Gerhard was watching, astonished, as we began to kiss and fondle each other. He couldn't believe his luck as we gave him the hottest lesbian act he was ever likely to see. Dropping down on to the floor, we got into the 69 position and were going at it hammer and tongs, making as much noise as we could.

Gerhard had been quiet for some time while we were getting into our routine, but out of the corner of my eye I saw him wanking his penis to erection again, working it really hard in his hand until it twitched and shot a short, thick wad of come all over the both of us. We made a bit of a mess on the carpet, rolling around in it all, but it was well worth it for the amount of orgasms we both had.

The rest of the night we spent exploring all the possibilities of a threesome. It was certainly tiring! Both Janie and I were fucked from all angles, and eaten out more times than I can remember. Unfortunately, afterwards Gerhard seemed a bit embarrassed about the whole episode, and ignored us whenever we bumped into him.

# On The Job

*To the Manner Born*

My girlfriend Fenella is stinking rich. And I mean that – absolutely loaded. Her husband is one of these minor gentry types with two country houses, three cars and several bank accounts. She's been married to him for nearly five years, and I think they've had sex about ten times in all that time. She tells me that she's never enjoyed it with him, certainly not in the way that she enjoys it with me.

I was her first experience of lesbian love, and now she can't get enough of it! We met at a garden fete in the village where we both live; I was on the organising committee and the whole thing was being held in Fenella's house grounds. But it was her that seduced me, definitely not the other way round.

My husband has no idea about my relationship with her, but Fenella's husband knows all about it – and approves. God knows why, because she's a lovely, aristocratic-looking blonde, but he doesn't even slightly fancy her.

Fenella and I always like to keep our sex life fun and energetic, and she's always surprising me when we're fucking. Most of all, she likes dressing up, and when she's in that sort of mood, I can't keep my hands off her. She's got this marvellously accommodating pussy that just seems to attract my mouth like a magnet.

Last Christmas, not long after I'd met her, Fenella invited me to stay at one of her husband's houses for the weekend. He was out of the country, so we'd have the whole place to ourselves.

Fenella had promised something special, and she didn't disappoint me.

The bedroom we were to use was spectacular. I'd expected it to be a bit special, as the house was a small Georgian stately home, but when I saw the four-poster bed, I just couldn't wait to try it out. Nor could Fenella when she saw my face, as she undid her blouse and offered me her erect nipples to suck. Her hand quickly went between her own legs, and then mine, stirring our juices together and working my clitty up to a frenzy. "Touch my cunt," I said frantically, pulling the wet crotch of my panties aside so that Fenella could get her fingers in. She teased me for what seemed like ages, before bringing me off while we stood by the bed.

I knew that we weren't going to move from the bedroom after this, and that we'd be having another of our marathon fucking sessions. "But first," Fenella said, "I've got some costumes, much better than the ones we've tried out so far!" She produced an old fashioned lady's maid outfit, complete with short, black dress and frilly knickers, and a lovely long silk Victorian dress with lots of hooped petticoats. She stripped off completely and said, "I hope you'll let me be the lady's maid!"

Looking at her pert tits and thinking of that moist pussy, I thought I'd let her do anything, so I watched while she struggled into the outfit. It was a bit too tight in places, but that just emphasized those tits and her lovely curvy bum. I was almost desperate for a screw by now, and started fingering myself through my sodden panties.

"God, Fenella, you look so horny in that outfit," I told her, gasping for breath. She likes me to tell her exactly what I'm thinking when I'm fingering myself, or when she's licking me out. "I'm so wet now. Bend over and show me those knickers properly. I want to see right up into your fanny."

Fenella was trembling with excitement as she bent over and pulled the frilly knickers aside. There was a large damp patch on the crotch and love juice was oozing out of Fenella's reddened pussy. I poked a finger in there, running it up and down the slit as Fenella gasped and grabbed the bedpost to steady herself. I repeated the action with two fingers, then three, gradually slipping them up into her cunt a little further each time. Her bum was really shaking by now, and I knew that she was about to have one of the *big* orgasms that she occasionally produces. Little spurts of love

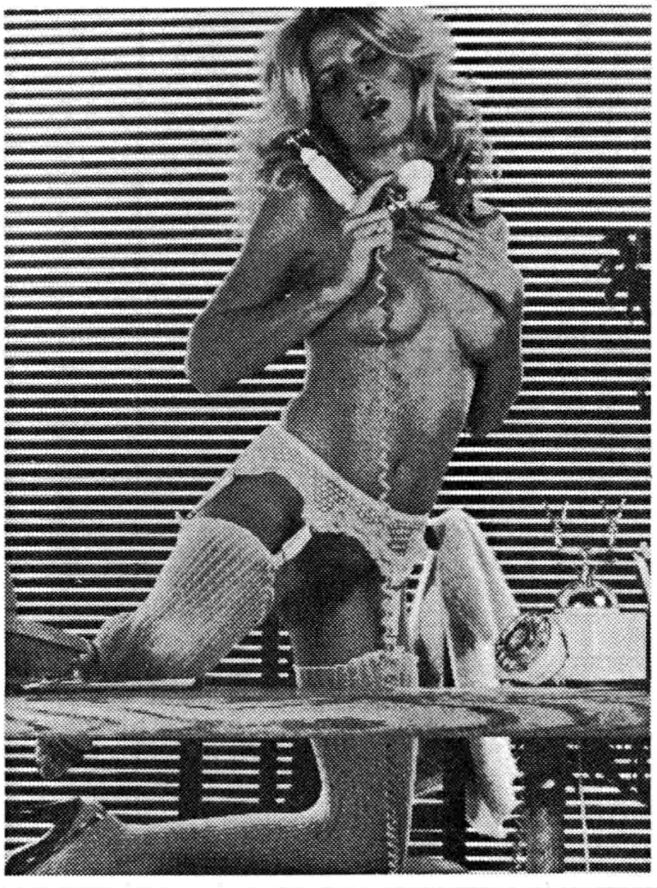
# PHONE SCANDAL

### BY SUZIE HOLDSWORTH, OUR WELL-RIDDEN RAVING REPORTER

**You might be forgiven for thinking that all those telephone lines you see advertised are nothing more than cum-ons, with tame messages masquerading as harder-than-hard porno filth. Well let me tell you that, whilst that may be true for many of them, one company at least lives up to its promises, and was this girl shocked!.**



Behind the scenes at a Diamond recording session!

**I recently paid a visit to the offices of the Diamond Network to see how the whole system was put together, expecting to bring back a dull and technical explanation more suited to the pages of a British Telecom house journal than to this rareified volume, but as you can see from these (heavily censored) photographs of an actual recording session, what goes on is actually *a lot harder and a lot hornier than even the adverts lay claim to.* If I say that during the session two microphones had to be replaced, having been momentarily confused with a similarly prominent part of one of the male participant's anatomy, then you'll get the picture!! (Actually, the feedback was extraordinary!).**

**Some of the things that went on were so thoroughly disgusting that I can't possibly describe them in detail, even here! Still, try phoning a few of these numbers yourself – to make things easy for you, we've printed a listing of just some of the numbers available – calls, I understand, are charged at 38p per minute during peak hours, and 25p per minute off peak. And when you do phone up, you'll know that what you're listening to is for real. And if you go blind, don't worry, next month we'll re-run this just for you, in braille!**

*continued from page 68*

juice were coming now, all over my hand, and I knelt on the floor and replaced my fingers with my tongue.

This drove Fenella right over the edge, and she clung on to the bedpost as she screamed, "I'm coming! Oh, do it faster, lick faster!" As I did, she flooded my face, grinding her cunt into it as she had several orgasms one after the other.

We both collapsed on the floor, exhausted, before Fenella asked, "Was that my Christmas present, then?" I giggled as she got up from the floor and brought me the Victorian dress to put on.

It took a bit of getting into, with all those hoops and stiff skirts, not to mention the fact that Fenella was trying to help, but just succeeded in groping me whenever possible, getting me really turned on and itching for another fuck. I managed eventually, putting the dress on minus underwear as this meant easy access for Fenella's eager tongue and fingers.

We climbed on to the bed and Fenella produced the boxes of presents which we'd bought for each other. Mine was some gorgeous silk underwear, which I couldn't wait to try out for Fenella, and a beautiful lacy nightie. I wouldn't need that tonight, though! As I was opening the parcels, Fenella was undoing the dress I was wearing, working her way down the row of buttons at the back until the dress was hanging off my shoulders. She started planting eager, hot kisses all over my back and shoulders, reaching round at the same time to tweak my nipples and roughly fondle my tits. I was getting really turned on, but I wanted to give Fenella her presents first, so I made her stop.

"I thought you'd like to have these first, so you can thank me properly," I told her, handing her a couple of parcels. In the first was a lovely lace body stocking, with a convenient hole in the crotch, but it was the second parcel she was really interested in. Inside, under about four sheets of wrapping paper, I'd put a huge, double ended dildo. The look on Fenella's face when she held it up told me she *loved* it!

"It's enormous!" she gasped. "Are you sure we'll be able to get this up?"

"I can't wait to try," I told her. Fenella reached over to the bedside table and grabbed a jar of moisturising cream.

She grinned as she covered her hand in it and thrust it into my cunt, holding my thighs apart as she did so, so that her fingers could slide all round my slit. She slipped two in, pushing them up and down slowly and teasingly to get me really worked up.

"Do the same for me," she panted as she passed me the jar. In a couple of minutes we were both well oiled and ready for a treat from that enormous dildo. Fenella grabbed one end and pushed it up inside her, gasping at the deep penetration as the whole length slid right to the far end of her cunt. She lay on her back, her legs spread wide, the free end of the dildo sticking up, waiting for me. I raised myself on to my knees above her and pushed down on the dildo as hard as I could, getting it all the way in first time. I felt wonderful, totally filled up, and started to bounce up and down on the hard shaft, panting and groaning as my feelings of orgasm built up.

Fenella was talking the whole time she was thrusting her hips up and down to get the dildo further and further inside her. "Oh, it's brilliant, it's making me come! God, it's so big, I feel like I'm going to split in two!" Soon, we were both just moaning and shouting, unable to speak. My climax came first and I let out a long moan as I sank down on top of Fenella and just fondled her tits and clitty until she arched up her back and came too.

We spent the whole of that night trying out the dildo in various positions, and it took us both a week to recover. My husband didn't ask why I was walking oddly, but I'm sure he must have wondered. – *Carol, Hants*

**datalink**

**BRITAIN'S FOREMOST & LEAST EXPENSIVE**
**NATIONAL COMPUTER DATING AGENCY**

NO MATTER *where* you live, or *who* you are, DATALINK is able to find you ample LOCAL introductions .... all *personally* selected by our experienced Staff.

LAST YEAR, Datalink spent more on National Press Advertising --to guarantee you *partners near-home* --than any other Agency in GREAT BRITAIN.

FOR DATALINK does not cater only --or even largely-- for the London Area ... but for the whole of the British Isles.

THAT'S WHY Datalink is large ... so obviously successful ... so competitive ... and so up-to-date

Look at the facts:

- Our STAFF SELECT your Introductions themselves --*not* a large *automatic* mainframe computer.
- Our STAFF CHOOSE *LOCAL* contacts ... often on your doorstep. (We don't use *mini-maps* of Britain ... with large squares ... covering *huge* areas --for you to 'draw around'.
- AND significantly

ONLY DATALINK GUARANTEE ✻ MEMBERS AT LEAST THREE SUITABLE CONTACTS IMMEDIATELY ... or refunds fees in full by return! (Usually you will receive six!).

DATALINK IS A UNIQUELY PERSONAL SERVICE...

Our system is unique because our *STAFF* --not machines --make all the final decisions ....
....We didn't *invent* computer dating ..an *American* did ...but we've certainly improved *and modernised it.*

AND NOW another First! WE NOW HAVE A GOLD★ SERVICE
....Whether work, studies, or divorce keep you out of the social scene longer than expected ...we have something SPECIAL just for you. (All details are sent along with Brochures).

PUT SIMPLY ....
DATALINK is a veritable National Institution ...widely respected everywhere for its honesty and integrity...
...AND ITS FRIENDLY SERVICE!
We take the hard work out of meeting people, and have a wealth of 'know-how', second to none.
*You needn't live near Datalink.* Quite the contrary... whether you reside in Northern Ireland, the Isle of Man, John O Groats or possibly at Lands End, we are simply a phone call from you ...ALL DAY ...even AFTER WORK --till 10.00 pm.,
We, at Datalink, are here for YOUR Service and YOUR convenience......
......Don't settle for less!

Jayne & Andrew (Merseyside)
Andrew & I are totally compatible.... and very much in love..... He was the first person I contacted..... incredibly he lived in the very next road.

***"You don't need to understand what they are saying because you can sure see what they are doing."***

Not only can you buy these sex videos at rock bottom prices but you also get genuine explicit hard-core. The reason is simple, when we decide the videos are good enough, and strong enough, we buy by the thousands - and that's why we can offer you explicit sex videos titles at rock bottom prices which means you can order without worrying about supply.

Our latest purchase prompted one of our Managers to say "You don't need to understand what they are saying because you can sure see what they are doing."

**LOW PRICES**

Because of the low prices and the high cost of packaging and despatch, we ask only that you buy a minimum of 4 titles as the groups listed.

*continued from page 34*

husband walked out on her (God knows why!) a couple of months ago, even though Brenda has a young baby. She has a dreamy figure, slim with a tight-looking arse, and lovely, bouncy boobs which I have long admired.

It's not important how we finally got together, but when at last I was alone with her in her bedroom, it was obvious she was literally aching for a man. In seconds we had each other's clothes off and Brenda lay on her back on the bed, her legs apart, her slit already glistening at the thought of what was coming. I was mesmerised by the sight of her full, heavy breasts, with enormous red nipples. She saw me staring at her tits and said, ''It's the milk – I'm still breastfeeding the baby. But come here and give me that cock.''

I didn't need telling twice and soon Brenda was moaning and gasping as my dick squelched in the wettest hole I've ever felt. She was so hot she came very quickly, panting as she bucked underneath me. I had hardly had time to get going, but as she was getting more and more excited working up to her climax, I noticed that milk was starting to dribble from her engorged breasts. As the spasms of her first orgasm subsided, my cock slipped out of her gushing cunt and she noticed me again staring at her milky nipples. ''It's when I get excited,'' she said. ''I know what you'd like.''

Smiling teasingly at me, she nestled my head against her breasts and fed her swollen red nipple into my mouth. I sucked gently and tasted the warm milky flow. It was incredibly erotic and I could feel milk coming from her other breast as I fondled and squeezed it. It obviously excited Brenda too, as she started fingering her clitty frantically. ''Oh, my nipples are so sensitive, you're going to bring me off just sucking them,'' she gasped.

My cock was almost bursting and I moaned as Brenda stopped frigging herself, took hold of my rigid prick and started stroking me fervently while I carried on nuzzling and sucking her breasts, lapping her milk, which kept on coming the more and more excited she got. She wanked me rhythmically and got faster as she neared another of her climaxes. ''You're making me come again,'' she whispered. ''Come on, shoot me your load too.'' Our bodies jerked in unison as I pumped my spunk on to her body, and buried my face in her fleshy bosom.

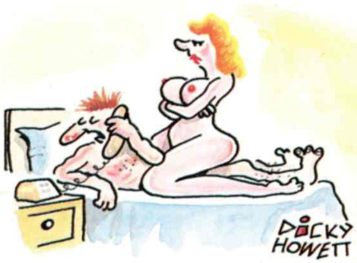
Then she pushed me off and said, ''That's enough titty for now. You can't have them again till you're hard again. I'm not finished yet, you know.'' With that, she turned me on to my back, and sat astride me, pressing her sopping quim against my drained dick. She rubbed herself against me, and I could feel the hard knob of her clit against my skin. ''Get it up,'' she urged me. ''Fill me with your meat.''

She held her sensational tits together, but wouldn't let me touch them, even though little pearls of milk were forming on her nipples again. ''When you're hard enough for me to shag you,'' she said, ''you can have my boobs in your face.''

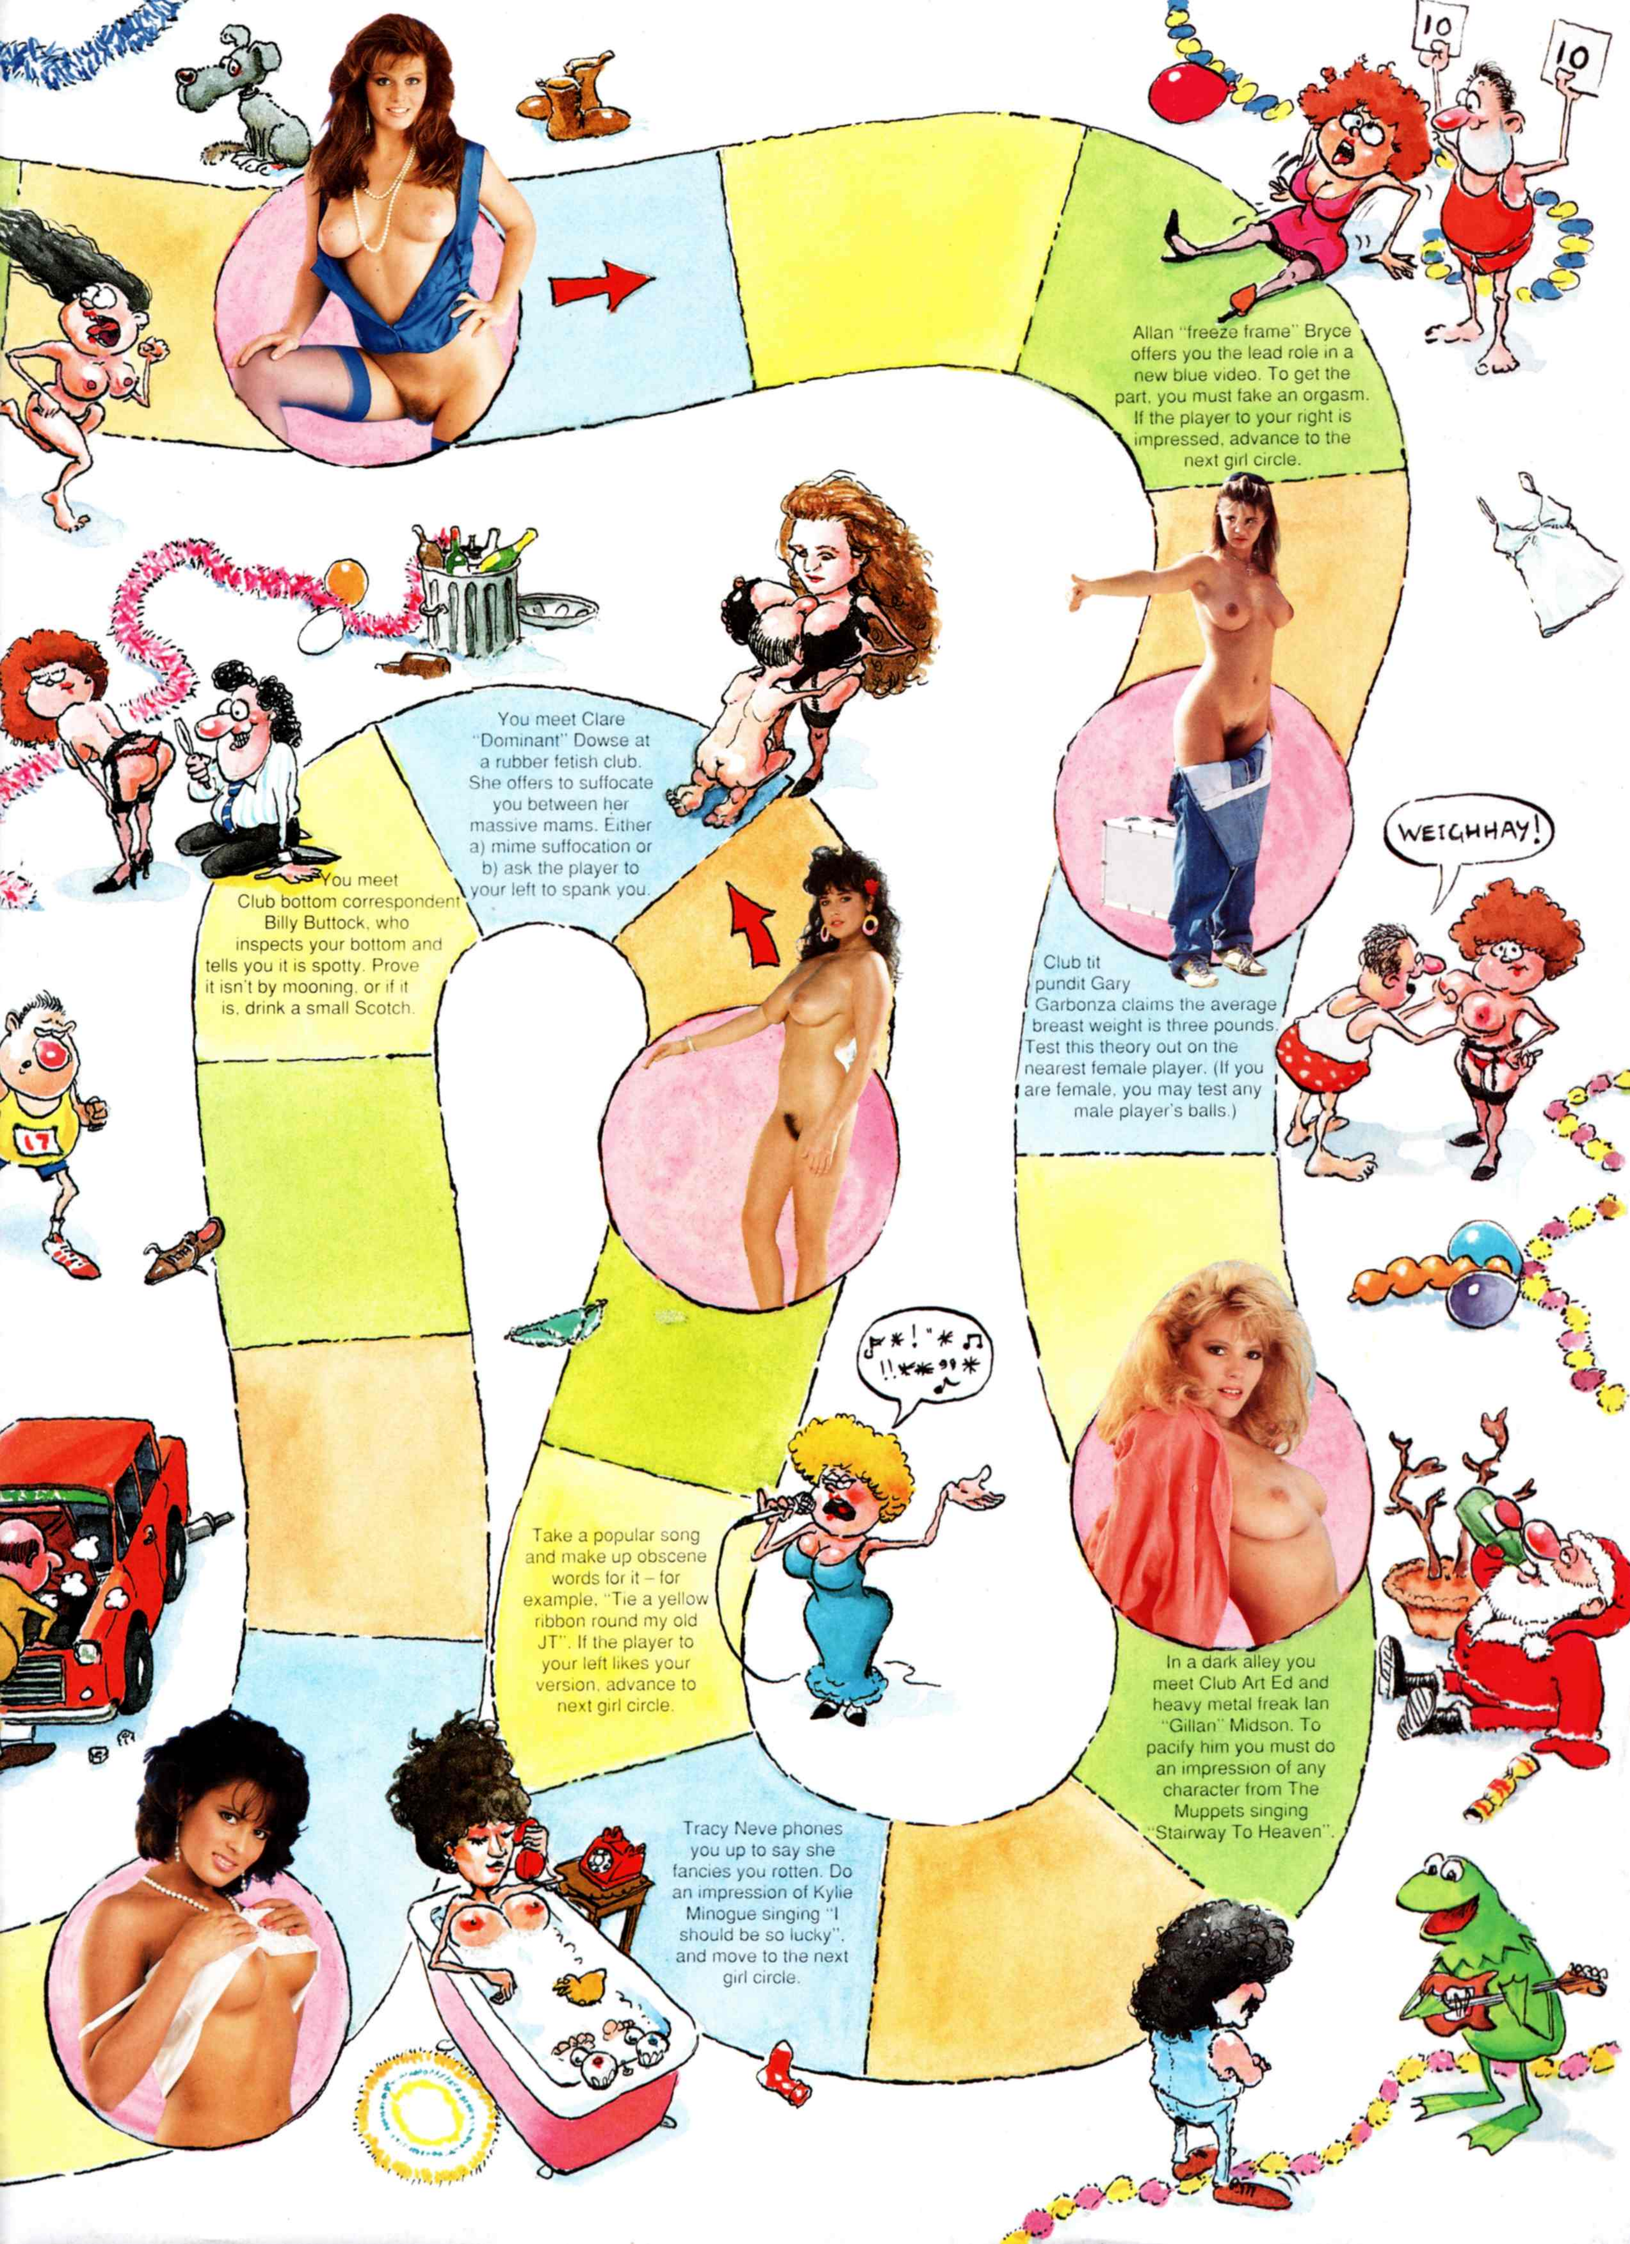
That did the trick, of course, and she lowered herself on to my erect dong. I'd never got it up so quickly after coming and so I wasn't really near to spunking again. Brenda rode me hard, and finally said, ''I'm shagged out, but I want to see you creaming again. I know what you're after, tit-lover.''

She propped herself up on the bed and coaxed, ''Come on, you can wank your cock in my tits. You've had my milk, now I want yours!'' I can't describe the ecstasy of her hot flesh surrounding my prick, yielding softly as I pushed my stiffy between her generous boobs. My dick slid easily with the lubrication from her overheated cunt, and I could see the drips of white milk standing out against the redness of her nipples. My spunk jetted into her deep cleavage and she rubbed it around so that it mingled with her milk, licking her fingers and smiling.

By this time we were both exhausted, and I fell asleep on her sweet, perfumed bosom. Needless to say, I visit Brenda regularly, and she assures me the milk will keep coming so long as her breasts get the right treatment – and they will, believe me! – *George, Derbyshire* ♣



*Oh, not a lot – just stirring the old pudding*



Allan "freeze frame" Bryce offers you the lead role in a new blue video. To get the part, you must fake an orgasm. If the player to your right is impressed, advance to the next girl circle.

You meet Clare "Dominant" Dowse at a rubber fetish club. She offers to suffocate you between her massive mams. Either a) mime suffocation or b) ask the player to your left to spank you.

You meet Club bottom correspondent Billy Buttock, who inspects your bottom and tells you it is spotty. Prove it isn't by mooning, or if it is, drink a small Scotch.

Club tit pundit Gary Garbonza claims the average breast weight is three pounds. Test this theory out on the nearest female player. (If you are female, you may test any male player's balls.)

Take a popular song and make up obscene words for it – for example, "Tie a yellow ribbon round my old JT". If the player to your left likes your version, advance to next girl circle.

In a dark alley you meet Club Art Ed and heavy metal freak Ian "Gillan" Midson. To pacify him you must do an impression of any character from The Muppets singing "Stairway To Heaven".

Tracy Neve phones you up to say she fancies you rotten. Do an impression of Kylie Minogue singing "I should be so lucky", and move to the next girl circle.
